IN CHRIST JESUS. PHILIPPIANS 4-19 This year's Dynamic Kids Camp was a resounding success compared to last year's, as over 15,000 precious children from across the nation participated and experienced the love of Jesus. It was truly heart-warming to see their faces light up as they learned about what it means to be an "Honourable Vessel" for God, based on 2 Timothy 2:21. Through engaging stories, songs, creative activities, and prayer sessions, the children discovered how they could be cleansed, set apart, and used for God's special purposes.

Thanks to the sacrificial giving of partners like you, these little ones were not only taught Biblical truths but also

encountered the joy and presence of the Lord. Many children gave their hearts to Jesus and returned home filled with His love and anointing. Truly, you have welcomed these children in Jesus' name, and according to Mark 9:37, "Whoever welcomes one of these little children in My name welcomes Me," your reward is with the Lord. May He richly bless your home and ensure you lack nothing.

The camp was held over six days in 97 Jesus Calls Prayer Towers across India, in five languages-English, Tamil, Hindi, Telugu and Malayalam-spanning 13 regions. Children aged 6 to 15 were grouped into five categories: Beginner, Primary, Junior, Intermediate. Each group was guided through theme-based lessons focused on becoming vessels of honor.

Daily sessions included:

- * Theme songs and worship
- * Bible lessons and parables
- * Creative crafts and interactive activities
- * Memory verses and Bible quizzes
- * Personal and group prayer times

Through these sessions, children learned to live a pure and holy life, to be filled with God's Word, and to be available for His use. They also came to understand that even broken or empty vessels can be made honorable in God's hands.

Here are a few testimonies from the children:

"I attended the DKC at the Jesus Calls Prayer Tower in Pimpri. The teachers welcomed me warmly and taught us many stories about how to be a vessel

of honour in God's hands. I learned new songs and many good things every day. The teachers were loving, and I really enjoyed every moment. Thank you, Jesus Calls Ministry!"

"At the DKC in Hubbali, I learned about six different types of vessels-chosen, filled, honourable, empty, precious, and broken. I understood how God uses

each of them for His glory and how He wants all His children to be used mightily by Him. Thank you, Jesus Calls, for this amazing opportunity to learn such deep truths!" - Angel, Hubbali

"I learnt many stories about people who were used by God. It was a blessing to attend DKC. I enjoyed the new songs and games they taught us."

- Shreya, Hubballi

"I learnt that God can use us only when we obey Him and yield to His voice. I understood the importance of being available for God's use by leading a holy life." - Dhanush, Hubballi

about Jesus."

The Dynamic Kids Camp 2025 was truly a time of heaven on earth, as children across the country encountered God's presence and learned to become honourable vessels in His Kingdom. Thank you once again for partnering with us to make this life-transforming experience possible. Dear friend, This month, God's promise for you comes from Philippians 4:19, "AND MY GOD SHALL SUPPLY ALL YOUR NEED ACCORDING TO HIS RICHES IN GLORY BY CHRIST JESUS."

God Wi

ALL YOUR NEEDS

What a comforting assurance! We serve a God who supplies generously and faithfully. As James 1:17 reminds us, *"Every good and perfect gift is from above, coming down from the Father."* He is a gracious and liberal Giver. He doesn't withhold any good thing from His children.

In Matthew 7:11, Jesus Himself affirms this truth, *"If you then, though you are evil, know how to give good gifts to your children, how much more will your Father in heaven give good gifts to those who ask Him!"* Our Heavenly Father longs to give us good gifts, not just material blessings, but the greatest gift of all: the Holy Spirit.

John 3:34 tells us that Jesus was filled with the Holy Spirit without measure. That same Holy Spirit is available to you and me today. Luke 11:13 says, *"How much more will your Heavenly Father give the Holy Spirit to those who ask Him!"* When we thirst for Him, Jesus invites us in John 7:37–39 to come and drink, promising rivers of living water, the lifegiving flow of the Spirit.

I remember vividly the moment the Holy Spirit filled my life. It was in 1980 when I was just 18 years old. I cried out to Jesus, confessing that I lacked the strength to live a holy life. Romans 8:26 gave me hope, **"The Spirit helps us in our weakness."** That night, I prayed earnestly. In

the early morning hours, the joy of the Lord flooded my heart. I was overcome with tears, trembling,

 and unspeakable joy. As I knelt in prayer, the Holy Spirit came upon me and gave me new tongues-a divine language to pray and intercede, just as Romans 8:26 describes. He cleansed my heart, making it the temple of the living God. Since that day, the Holy Spirit has been my closest companion. He spoke to me clearly, "Paul, until now, you've had many worldly friends. But from now on, I will be your only Friend. I will walk with you, talk to you, and perfect everything concerning you." For the past 45 years, He has faithfully walked with me, filling my life with peace, power, and purpose.

Today, the same Holy Spirit is ready to fill you-without measure. God not only supplies our physical needs; He supplies us with life

itself. John 11:25 says, "I am the resurrection and the life. The one who believes in Me will live, even though they die." Even if you feel dead in sin, Jesus will raise you up and give you a new life-one filled with righteousness, joy, and holiness.

John 10:10 declares, "I have come that they may have life, and have it more abundantly." God offers you abundant life, filled with His

presence and purpose. When He is with you, nothing in the world can destroy you. So, dear friend, let not your heart be troubled. Trust in the One who supplies all your needs. Trust in the One who gives life and life in abundance.

How to Receive God's Supply? The secret is giving. Jesus said in Luke 6:38, "Give, and it will be given to you: good measure, pressed down, shaken together, and running over will be poured into your bosom."

In the midst of your need, give. Malachi 3:10 says, "Bring the whole tithe into the storehouse... and see if I will not open the floodgates of heaven and pour out so much blessing that there will not be room enough to store it."

What is a tithe? It is giving 10% of your

income to God. This act of faith opens heavenly doors. Proverbs 3:9–10 also promises that when you honor the Lord with the firstfruits of your income, your barns will be filled to overflowing.

Whom Should You Give To? GIVE TO GOD'S WORK

We cannot give our offering to God directly. Instead, give it to ministries that carry the message of healing, salvation, and comfort to multitudes. When you give to such ministries, your seed multiplies and touches lives.

Some people say, "These ministries already have enough." But what they don't realize is that God uses even the smallest offerings like the widow's two mites or the little boy's five loaves to perform miracles. It is the blessing

of God, not the amount of money that brings the increase.

Peter gave his boat to Jesus for preaching and Jesus filled it, and another boat too, with fish (Luke 5:3–7). The widow gave her last bit of flour and oil and God provided for her and her household for many days.

You may be a student, a widow or a young partner, someone with

little. But your willingness to give moves the heart of God. He will honor your faith and pour out a blessing you cannot contain.

Let me share a powerful testimony of Sister Jaya Latha from Chennai, who struggled for nine long years without a child. She faced harsh criticism and humiliation. Her husband's family pressured him to remarry and abandon her. Their marriage was filled with constant strife, and still, she remained barren. At her lowest point, she began visiting the Jesus Calls Prayer Tower. One Friday, she attended a Family Blessing Prayer Meeting, where a compassionate prayer intercessor prayed for her. She was encouraged to enroll her unborn child by faith in the Young Partners Plan-a divine initiative where children are prayed for daily at the 24-hour Prayer Tower, with their names and photos lifted before the Lord.

Although she had no child at the time, she took a bold step of faith and enrolled her future baby, trusting that God would bless her and He did! Within just 15 days, she conceived after nine years of barrenness. The joy of the Lord filled her heart as she began supporting God's ministry through the Young Partners Plan. Every day, we pray for the Young Partners at the Prayer Tower, and also, as a family, we lift them up in prayer. Whatever contributions the Young Partners give, we pray that Jesus Calls Ministry will be able to serve millions of people free of charge and the Lord takes those blessings and pours them back upon the Young Partners, blessing their lives. God made Sister Jaya Latha's joy complete by blessing her with a son, whom she named Samuel. But the

blessings didn't stop there. She conceived again and gave birth to a daughter named Sharon. Grateful beyond words, she made a vow to donate new clothes at Christmas for poor children through SEESHA. Today, her family is abundantly blessed. What God did for her, He will do for you. Your joy will be complete!

So today, make a decision to honor God with your giving. Let

Him use your gift to wipe away the tears of others, and watch Him supply all your needs according to His riches in glory.

GIVE TO GOD'S SERVANTS

Secondly, along with giving to God's ministry, the Bible teaches us to also honor and care for God's servants.

In Psalm 16:2–3, David says, **"I say to the** Lord, You are my Lord; apart from you I have no good thing." As for the saints who are in the land, they are the glorious ones in whom is all my delight."

David's heart was not set on storing riches for himself. His delight was in blessing the saints who were God's chosen ones.

In Philippians 4:18, Paul acknowledges the generosity of the believers: *"I have received full payment and have more than enough. I*

am amply supplied, now that I have received from Epaphroditus the gifts you sent. They are a fragrant offering, an acceptable sacrifice, pleasing to God."

Because the Philippians supported Paul personally, he declared a powerful blessing over them in verse 19, "And my God shall supply all your needs according to His riches in glory by Christ Jesus."

When you take care of God's servants who labor day and night in prayer, in preaching, and in ministering to people, God Himself becomes your provider. He sees your love, your sacrifice, and your honor toward those who serve Him. He will repay you in full, pressed down, shaken together, and running over.

Brother Raj Paul Moses from Chennai

experienced a deep personal loss when

Let God use your gift to wipe away the tears of others, and watch Him supply all your needs according to His riches in glory

he lost his younger brother and along with that, his job. Depression overwhelmed him. But in the midst of his despair, someone brought him to the Jesus Calls Prayer Tower. As our beloved prayer intercessors prayed over him, the peace of God filled his heart. He began watching the Jesus Calls television programmes

and surrendered his life to Jesus, placing future in God's hands

his future in God's hands.

One day, while listening to my message on TV in which I had shared about receiving blessings through prayer, faith stirred within him. Soon after, he was called for a job interview. Remembering the Word he had heard, he prayed and made a vow to the Lord, "If You give me this job, I will dedicate my first month's salary to Jesus Calls so others can be blessed."

By God's grace, he was selected for the job! From that moment, his life began to flourish. God blessed him with a loving wife and a beautiful daughter. He later attended the Jesus Calls Ambassadors Meeting, where the Lord filled him with the Holy Spirit. Today, he is joyfully serving God through the Jesus Calls Ministry. So today, be intentional. Care for the needs of God's servants. Not just the ministry, but the people behind it. In doing so, you're not giving to man. You're giving to the Lord and He will surely prosper you in return.

GIVE TO THE POOR

Isaiah 58:7–8 says when you care for the poor,

"Then your light will break forth like the dawn, and your healing will quickly appear; your righteousness will go before you, and the glory of the Lord will be your rear guard."

Through SEESHA and Jesus Calls, countless poor people and struggling ministers are cared for. As you stand with such ministries, the Lord causes your light to shine, brings healing, and

surrounds you with His glory. Sister Latha Balan Achariya and her husband from Mumbai once lived in deep financial distress. With only Rs 7,000 as monthly income, they lived in a cramped 10x10 rented room with their little daughter Suji. Life was painfully hard-no proper food, no milk for the child, tattered clothes, and wounds on her husband's feet from wornout shoes. They struggled to pay school

fees and even had to sell Latha's gold chain to repay mounting debts. Relatives abandoned them. All hope seemed lost. But one day, someone told them about the Jesus Calls Prayer Tower in Ghatkopar. When they stepped in, they felt the warmth of God's presence-like entering their Father's house. The prayer intercessors received them with love and prayed for them. They were informed of a Prayer Festival planned to happen in Mumbai. They attended the Prayer Festival with great faith. During the Prayer Festival in Mumbai, Latha could only offer a few coins as offering. The clinking sound of her coins made her feel ashamed, as others were offering currency notes. But that very moment, she heard me say, "Your sorrow will turn into joy."

Faith stirred in her heart as I preached that night, saying, "Jesus, the Light of the World, is coming into you now." Soon after, her husband received a new job with a salary of Rs. 25,000 per month. They enrolled their daughter in the Young Partners Plan. Suji, who once scored only 55%, miraculously graduated with 99% marks. They joined the Jesus Calls Family Blessing Plan, and I sent them a personal letter quoting Zephaniah 3:19, "I will give them praise and honor in every land where they have suffered shame," says the Lord. They decided to support the Bethesda Prayer Ministry, sowing generously into God's kingdom. In return, God lifted them up. Her husband's salary increased tenfold to Rs.77,000/-month. They built their own home in Mumbai, and today, they are

honored by the very relatives who once left them.

God turned their sorrow into joy. He can do it for you too. Let not your heart be troubled. Your supply is not limited to your income or your surroundings.

"My God shall supply all your needs according to His riches in glory through Christ Jesus."

(Philippians 4:19)

Would you trust Him, give to His ministry, honor His servants, and remember the poor? As you do, the floodgates of heaven will open over your life.

Loving Father, I bring Your child before You right now. Bless them with this divine promise of provision. Give them the strength to give faithfully and the faith to believe in You, the God who gives without measure. Let Your grace empower them to trust You fully. Reward their obedience, and let them receive a hundredfold blessing in return. Let this miracle happen this very month. Let debts be cleared, needs be met, and dreams be fulfilled. SON RESTORED

My son was trapped in drug addiction, and I barely recognized him. I feared losing him forever, but I held on to my faith and reached out to the Jesus Calls Dallas Prayer Tower. The intercessors prayed with me constantly, treating me like family. One day, my son agreed to pray with me on a Jesus Calls call. As the intercessor prayed, he broke down crying being touched by the Holy Spirit. I thank Jesus for bringing him back to me. I love Jesus and deeply appreciate the faithful prayer intercessors at Jesus Calls.

MIRACULOUS PROVISION

I was drowning in debt and found it difficult to make car payments, buy groceries and pay for the mortgage. I called Jesus Calls prayer intercessors often, and they were always kind and patient. We kept praying, and miracles began unfolding. Groceries appeared at my doorstep three times! A stranger filled my gas tank, and my boss gave me a raise. Then, a neighbor paid all my bills. I still don't understand how it all happened, but I know it was Jesus answering our prayers. I thank the Jesus Calls prayer team for standing with me and reminding me that God never fails.

COMPASSIONATE HEART OF GOD

"Yet the Lord longs to be gracious to you; therefore he will rise up to show you compassion. For the Lord is a God of justice. Blessed are all who wait for him." (Isaiah 30:18)

This beautiful verse from Isaiah reveals something profound: Our mighty God, Creator of galaxies, Ruler of heaven and earth longs to be gracious to us. He waits to bless us, not because He needs us, but because He loves us. What an incredible truth! Even when we are undeserving, He remains compassionate and patient.

In Exodus 34:6, the Lord is described as, *"compassionate and gracious, slow to anger, abounding in love and faithfulness."* This is who God is. When you cry out to Him-especially for your family-He listens. He is moved with compassion and answers in His perfect time.

Sometimes, we wonder, "Why is God making us wait? Why hasn't He answered our prayer for our family?" But remember what Ecclesiastes 3:11 says: "*He makes everything beautiful in its time.*" His timing is never too late or too early-it is always perfect.

> The Bible gives us an example in 1 Peter 3:20, where it says God *"waited patiently in the days of Noah."* Do you know how long it took Noah to build the ark? Research suggests nearly

120 years! For that long, God waited for people to repent. He wasn't rushing to judge them instead He was longing to save them.

Likewise, in Isaiah 30, we see God's heart toward the rebellious Israelites. They rejected His prophets and relied on Egypt instead of trusting Him. Still, verse 18 declares, "The Lord longs to be gracious to you." Even in their stubbornness, God waited for them to turn back so He could bless them.

Dear friend, perhaps you're praying for your family today longing for peace in your home, for restoration in your marriage, for your children to walk in God's ways, or for financial provision. You may feel as if God is silent. But I want to assure you He is not ignoring you. He is waiting to bless you at the right time.

Isaiah 30:15 says, *"In repentance and rest is your salvation, in quietness and trust is your strength."* Let this verse speak to your heart. Be still and know that He is God (Psalm 46:10). Trust Him even in the waiting. Trust Him even through the tears.

Jeremiah 29:11 reminds us, **"For I know the plans I have for you,"** declares the Lord, "plans to prosper you and not to harm you, plans to give you a hope and a future." His plans include

🚯 EvangelinePaulDhinakaran | evangeline@jesuscalls.org

your family. His heart beats for your home.

Yes, it's easy to say, "Trust in the Lord," but when trials come-when a loved one is sick, when a job is lost, when there's

conflict in the home, it can feel impossible. But that is when Jesus lovingly calls out: *"Come to Me, all who are weary and burdened, and I will give you rest"* (Matthew 11:28). He invites you and your entire family into His peace.

Let me share a powerful testimony with youone that will encourage every family longing for a breakthrough.

Brother Shashank Pradhan worked as a supervisor in a plumbing company. For 15 long years, his family moved from one rental house to another, holding on to a dream of one day owning their own home. Then, in 2020, during the COVID-19 pandemic, he contracted the virus and became gravely ill. Shortly after, he lost his job. Their dream seemed lost. But God had a different plan.

His wife, Rashmika, ran to the Raipur Prayer Tower, crying out to God with all her heart. She asked the prayer intercessors to stand in faith with her-and they did, praying continuously for her husband and their family.

If God is silent, He is not ignoring you. He is only waiting to bless you at the right time intercessor, who encouraged him and suggested he start his own plumbing business. In faith, he obeyed. That very day, a plumbing company contacted

him and offered work. Within a week, he earned Rs.70,000. God's blessing had begun. Today, Shashank manages 20 workers across 10 construction sites. On November 23, 2023, as their daughter Ara celebrated her birthday, the family sponsored a prayer TV program. My husband prayed for them specifically-to receive a new house. Soon after, they were able to build and move into their own home!

After 15 years of waiting, the Lord fulfilled their family's dream. Shashank now honors God through his business, enrolling it in the Business Blessing Plan of the Jesus Calls Ministry.

My dear friend, what God did for Shashank's family, He can do for yours too.

The Lord is waiting to show compassion to your home, your spouse, your children. Don't give up. Keep seeking Him, keep trusting Him, and keep declaring His promises over your family.

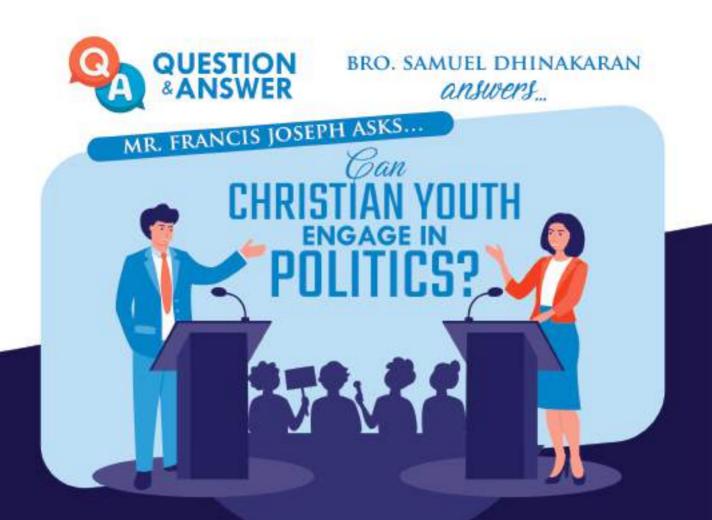

Your breakthrough may be closer than you think. God longs to bless your family-because He is a compassionate Father.

One day, Shashank himself spoke to a prayer

HEAVEN TOUCHED EARTH AT JC HOUSE PRAYER TOWER

On June 13, 2025, in the JC House Prayer Tower in Parrys, Chennai nearly 1,500 people gathered with expectant hearts to experience the voice and power of God. The meeting began with a vibrant time of praise and worship led by Bro. Daniel Davidson and Stella Ramola. Following the worship, Stella Ramola shared an anointed word from Genesis 16:3 about God's watchfulness and His miraculous intervention in times of despair which ministered to each heart prophetically.

Dear friend, this is an important and thought-provoking question. It's a question that challenges our understanding of calling, purpose, and the role of believers in society. As followers of Christ, should we enter what many consider the "mess" of politics?

Let me answer this plainly: Yes, we can-and sometimes, we must.

Not Our Will, But His

As Christians, we are not called to choose careers based solely on preference or convenience. Instead, we are called to seek and submit to the purpose God has for each of our lives. That purpose might lead someone into education, business, medicine, the arts-or even politics. Some may argue, "Politics is too corrupt," or, "It's a sinful field where God has no place." But let's consider this: sin exists in every domain of life. No profession is immune. If we, the children of God, shy away from certain fields because of their darkness, who then will bring the light?

Jesus calls us to be the light of the world. That light must shine not only in churches and ministries but also in boardrooms, classrooms, studios-and government offices.

God Works in Mysterious Ways

Look at the life of Joseph. He wasn't handed a leadership role in Egypt by his family's blessing. Instead, he was betrayed, thrown into a pit, and sold into slavery. Yet, through God's mysterious and sovereign plan, Joseph rose to become a ruler in a foreign land. He governed wisely and became the instrument

WE ARE GOD'S VOICE IN THE CORRIDORS OF POWER

through which nations were fed during a severe famine.

Did Joseph have political training? No. Did he have support? Not at first. But he had God's calling, and that made all the difference.

Biblical Mandate for Governance

Romans 13:1-2 reminds us that *"the authorities that exist have been established by God."* To rebel against rightful authority is to rebel against what God has instituted. This means governance is not outside of God's plan-it is very much a part of it.

If God is the one who establishes rulers and leaders, how can we, as believers, label politics as evil or unworthy? When God calls someone to leader-ship, we must honor and support that call.

Honoring God through Political Leadership

Consider King David. He wasn't merely a ruler; he was anointed by God. Through his leadership, God won battles and secured the safety of His people. Through Solomon, his son, God established peace and prosperity.

Leadership matters to God. He places His people in positions of influence not for personal gain but for national transformation.

Even in modern times, we see God using leaders to fulfill His purposes. Abraham Lincoln, the 16th President of the United States, was a man who feared the Lord. His life demonstrates how a believer in politics can bring about immense

good. Lincoln, once a lawyer, followed God's purpose into politics and became the instrument of liberation for millions through the Emancipation Proclamation.

His legacy continues to bless generations. Imagine what God could do through you.

Bringing Justice and Hope

Politics is not merely about power; it is a platform for justice. God's heart beats for the oppressed, the voiceless, and the marginalized. Just as He used Abraham Lincoln to uplift African Americans, He can use you to fight for the rights of the poor, the needy, and the unheard.

If we, as godly individuals, do not enter these spaces, how will God's justice be implemented? We are His hands and feet. We are His voice in the corridors of power.

Don't Dismiss the Political Arena

To assume all of politics is corrupt is to ignore the power of redemption. Systems may be broken, but God uses people to restore and renew them. The hope for a better nation, a better world, lies not just in prayer but in obedience to God's callingeven if that calling leads to Parliament or public office.

God used Joseph to feed nations. He used David to protect His people. He used Lincoln to free slaves. And He can use you to bring about transformation in your generation.

So, dear friend, don't devalue politics. Don't run from it if God is calling you into it. Embrace it. Own it and let God shine His light through you. **God bless you.**

JESUS CALLS Young Partners

The stand and I enrolled all our c

My husband and I enrolled all our children as Young Partners in the Jesus Calls Ministry. We have four daughters. In 2010, I visited Karunya and brought home a promise board with Isaiah 54:13: "All your children shall be taught by the Lord, and great shall be the peace of your children." I placed it above my children's study table, and we prayed daily before their studies.

Without tuition, my eldest daughter, Ebina James, scored 493/500 in 10th and 1100/1200 in 12th. Though she couldn't pursue MBBS due to financial constraints, prayer at Karunya opened a door so that she was selected to study medicine in Singapore and recently completed her course.

My second daughter, Beulah Jennifer, scored 550/600 in 12th during the pandemic. She is now in her final year of ECE.

Our twin daughters were born after a prophetic word from Zechariah 9:17 through a Jesus Calls TV program. Both excelled scoring 485/500 in 10th and 585/600 in 12th, topping their school. Throughout their lives, the Young Partners Plan and daily prayer fueled their academic and spiritual growth.

SUCCESS DESPITE STRUGGLES

Coming from a poor background, I lived in a hut with my family. My father is a daily wage laborer, and my mother makes garlands. Often, I studied under the streetlight due to power cuts. Despite hardships, I never missed school and prayed daily at the Jesus Calls Prayer Tower in Parrys.

The Young Partners Plan became my anchor. I also received help from the Jesus Calls | JULY 2025 | www.jesuscalls.org Seesha Welfare Programs, including school supplies and clothes. During my 10th exams, I constantly contacted the Jesus Calls 24-hour Telephone Prayer Ministry.

By God's grace, I scored 434/500 in 10th, the highest ever in my street. My parents wept with joy. The Lord lifted me up from poverty to success, and I remain grateful to Jesus, the prayer intercessors, and Dr. Paul Dhinakaran. – *Miss Senitha, Chennai*

The Young Partners Plan surrounds your children with powerful prayers for their protection, prosperity, and success. Just as Samuel grew up in the presence of the Lord and was established as a prophet of integrity and influence (1 Samuel 2:26; 3:19), children enrolled in this plan are nurtured to walk closely with God and fulfill their divine calling. With continual prayer support and faith-building resources, they are spiritually fortified to face life's trials and triumph with God's help. Enrolling your child is an act of trust: placing them, like young Samuel, in the care of the Lord to grow in favor, wisdom, and purpose.

In celebration of the successful completion of 40 years of the Young Partners Plan, we would like to gift each child a piggy bank to help them develop the habit of setting aside money for God's purposes just like the young boy who gave five loaves and two fishes. May they become channels of blessing from

a young age. The Lord will surely multiply their efforts and pour out His abundant blessings upon their lives.

y dear friend, I want to encourage you to reflect on the gifts God has given you-and how you can use them to serve others and point people to Jesus.

POINT PEOPLE TO

STELLA RAMOLA

In 1 Corinthians 12:4–7, we read,

"There are different kinds of gifts, but the same Spirit distributes them. There are different kinds of service, but the same Lord. There are different kinds of working, but in all of them and in everyone it is the same God at work. Now to each one the manifestation of the Spirit is given for the common good."

Yes, God not only blesses us with talents and skills-He also gives us spiritual gifts, uniquely distributed to each believer. Just as each part of the human body has a distinct role, so too do God's people. Our spiritual gifts are meant to edify, strengthen, and serve others. They are not given for personal gain or recognition, but for the greater good and to glorify the Lord.

In this world that is desperate for hope and healing, people are yearning to experience the love of God. Now more than ever, your gifts matter. Sometimes we seek God's gifts simply to fix our own problems or remove our weaknesses. But Scripture is clear: our gifts are meant to serve others. 1 Peter 4:10 reminds us,

"Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms."

Hebrews 2:4 echoes this truth,

"God also testified to it by signs, wonders and various miracles, and by gifts of the Holy Spirit distributed according to His will."

God still empowers His people to demonstrate His love through spiritual gifts. These gifts lead others to Him, displaying signs, wonders, and miracles-not for our glory, but for His.

Let me share a testimony from my grandfather's life that beautifully illustrates this.

When my grandfather first accepted Christ, he longed to be filled with the Holy Spirit. He prayed earnestly-not for days or weeks, but for seven years. His heart's cry was this, "Lord, fill me with Your Spirit so I can perform signs and wonders to glorify Your name in this nation." But for seven long years, God made him wait. One day, in a moment of deep weariness and frustration, he prayed again. That day, God gave him a heavenly vision. In that divine encounter, the Lord showed him all the times he had prayed-even the simple prayers whispered while cycling to work. God had seen every moment. Then Jesus appeared and took him into the presence of God the Father-a majestic and awe-inspiring place.

As a cloud lifted, he saw a radiant figure, like a young man shining with light. A voice like thunder asked, "What do you want?" Overwhelmed, my grandfather could barely

respond. He longed to ask for spiritual gifts, but instead, the voice asked again, "Do you not want Me?"

Tears filled his eyes as he replied, "Lord, I want You. I don't want anything else-I only want You." God saw His faithfulness and the

gifts of the Spirit started to operate through Him, the more He continued to diligently serve Him.

Just like my grandfather, I encourage you to wait patiently on the Lord for the gifts of the Holy Spirit. When God fills you, He equips you to serve Him powerfully. You will lack nothing, for His Spirit will be your strength, your wisdom, and your provision. And my friend, this is the ultimate truth: when we have God, we have everything.

So, how do we use the gifts God has given us?

Your calling and your gifts go hand in hand. Your calling is the deep conviction God has placed in your heart to serve Him. Your gifts are the tools He has given you to act on that calling-to serve others, build His Church, and reveal His love.

Perhaps you have a gift for teaching

scenes. Whatever your gift, know that God can use it-and He wants to. Not for personal fame. Not to glorify any man. But to glorify His name and build His

Kingdom.

And here's the beautiful part: once you step out of your comfort zone and start using your gifts, God will increase them. You may have one gift today, but as you use it faithfully, He will multiply it.

people. Your sons and daughters will prophesy, your young men will see visions, your old men will dream dreams."

This promise is for you. God wants to fill you with His Spirit, not just for your benefit, but so you can serve others and radiate His glory wherever you go. You are called to prophesy, to prepare the world for the second coming of Jesus, and to live a life that reveals His heart.

When you begin living for others-praying for them, encouraging them, serving them-the emptiness in your own life will begin to fade. The wilderness will be filled with living water.

God is ready to pour out His Spirit on you today. Are you ready to receive Him? Are you ready to be filled, equipped, and empowered for His service? Say "yes" to Him-and watch how He transforms your life and uses you to transform the world.

A Life anchored in

- Sister Stella Dhinakaran

He, who Trusts in the Lord, Mercy shall Surround him! (Psalm 32:10)

The Bible clearly states in Psalm 62:8, "Trust in Him at all times, you people; pour out your heart before Him; God is a refuge for us." David, who walked in the ways, pleasing to the Lord, thus had his entire trust on the Lord. Psalm 23 clearly speaks about his trust on the Lord. He himself beautifully describes how he received His blessings in his life. As read in I Chronicles 29:28, since he trusted the Lord till the end of his life, the grace of God surrounded him! Shall we see now how David received such divine blessings?

In the Fear of the Lord there is Strong Confidence! (Proverbs 14:26)

Trust on God comes easily to a person, who has the fear of the Lord as his/her foundation. In my life, till my days of youth, I had no knowledge of the fear of the Lord. I did not have much trust on Him. However, after that, our Lord, who is the personification of love, had mercy on me and spoke to me clearly through the pastor, from the Scriptures Proverbs 31:10-31, on the day of my betrothal. As read in Psalm 32:8, the Lord gave me instructions continually, filled me with godliness and granted me a divine life. Till today, He is leading me wonderfully by His hand to fulfil His ministry reverentially with His help and to bring blessings in many women's prayer life.

Dear ones, you should also seek the Lord with your whole heart, with the fear of God.

"Those who seek the Lord shall not lack any good thing..." (Psalm 34:10)

Accordingly, when you trust the Lord and seek Him, He will give you His abundant blessings and grant you a divine life.

His Great Goodness Laid up for Those who Trust the Lord! (Psalm 31:19)

In Psalm 85:12 we read, 'the Lord will give what is good.' The Bible says that the Israelites midwives had their entire trust on the Lord and feared Him as a result of which they received His full blessings. "Therefore God dealt well with the midwives, and the people multiplied and grew very mighty. And so it was, because the midwives feared God, that He provided households for them."

(Exodus 1:20,21)

Today, many are the people, particularly women, who live in tears because of various problems and afflictions in life, as they are unable to enjoy His peace, joy and a blessed life. Their lives are full of darkness, and they seem to be living in gloom. On the other hand, those who trust the Lord and seek Him in reverence, with their whole heart, find light in darkness and the Lord gives them grace to live with divine joy and peace.

Look at the life of Abraham, who lived close to God! He had a 'lack' in his life. Yes, look at the faith He had on God in that state of childlessness! According to Romans 4:17, he believed that God 'calls those things which do not exist as though they did'. The word proceeded from the mouth of God gave him this faith.

In that empty state of childlessness, the Lord gave him the promise, "I will make you exceedingly fruitful; for I have made you a father of many nations" (Genesis 17:6,5). According to Romans 4:18, his hope was contrary to the word that he would become a father of many nations, since both he and Sarah had advanced in age. His wife had passed the age of childbearing. In that case, there was absolutely no chance of her conceiving a child. However, if we read Romans 4:18-21, we see that the firm faith that Abraham had on the Lord, despite his empty state, turned his life upside down. We read how his life was filled with the goodness of God and how it was a mighty witness for Him! In Matthew 1:1-17 we can read how the descendants of Abraham, who had no child, multiplied!

Dearly beloved, if you have many lacks in life, like Abraham, open your Bible, read carefully the promises of God and claim them as your own. Then the Lord will surely grant you the grace to get filled with His good things just as how Abraham enjoyed good things because of his faith.

Christ in you, the Hope of Glory! (Colossians 1:27)

Yes, dear ones, what a privilege and blessing to have the Lord Jesus Christ dwelling in us as the hope of glory! Just think over it! How would be this kind of 'life, filled with hope'? As read in Philippians 3:3, it would be a life in which we worship God in the Spirit, rejoice in Christ Jesus, and have no confidence in the flesh. About this we read in Romans 8:30, 'whom He has justified, these He also glorified'. In I Peter 4:14 we read, 'the Spirit of glory and of God rests upon you'. After the Lord Jesus Christ conquered death and rose again, He gave clear instructions to His disciples as well as to those who were with Him till the end. This we see in Acts 1:4,5. They too tarried in prayer in the presence of the Lord with hope and reverence and were filled with the glory of God. Particularly, the disciples' lives were transformed drastically. They were also filled with divine power, like Jesus and became a blessing to many others.

Those who have the fear of the Lord as their foundation shall have strong hope

The Lord gives grace to live with divine peace to those who trust on Him and seek Him with their whole heart and in reverence

Dear ones, even today, when we commit our lives to Him in reverence, God would surely grant us this divine glory and honour.

"If you then, being evil, know how to give good gifts to your children, how much more will your heavenly Father give the Holy Spirit to those

who ask Him!" (Luke 11:13)

Accordingly, the Lord will fill all those who read the Bible diligently and who know this truth, with His Holy Spirit, when they ask of Him (Acts 10:38).

Our family is enjoying this fullness of the Holy Spirit because of which it is filled with peace, which the world cannot give. Even in the midst of terrible and shaky situations, we receive divine strength in Christ as read in Philippians 4:13, "I can do all things through Christ, who strengthens me" and this fullness beautifully leads us to live a glorious life!

Hence, dear ones, may the Lord help each one of you to live a blessed and abundant life by accepting Him as your Saviour, trusting Him with your whole heart and thus receive a glorious life!

HEALED AND BLESSED

I am living with my husband and two children. As a government school teacher, I was once transferred to a school 50 km away. The rough travel caused severe pain in my

spine and waist, making it hard to stand, teach, or even lie down. In desperation, I wrote for prayer, called the Prayer Tower, and watched the Jesus Calls TV program. One day, as Dr. Paul Dhinakaran prayed at the end of a TV program, God healed me completely. I also prayed for a promotion and transfer without giving bribes-and God answered! Today, my school is just 15 minutes from home. God is faithful!
