GENERATIONS *Honored*

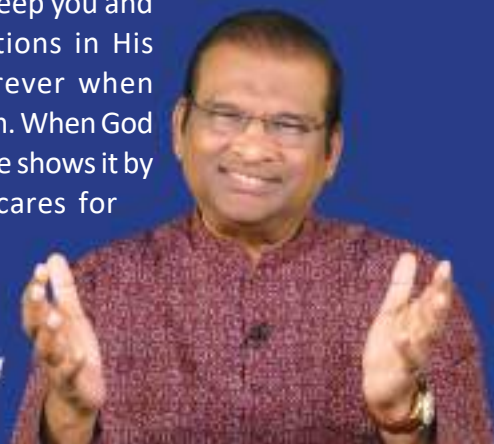

Dear friend, this month the Lord Jesus promises to honor you, bless your family and the generations that follow because you serve Him. November is a month of thanksgiving and God remembers your service to Him by reminding you of His promise in John 12:26, ***“My Father will honor the one who serves Me.”*** What a glorious promise! Every act of faithfulness, every prayer, and every sacrifice you make for God’s Kingdom becomes a seed of blessing that will bring you honor. The Scriptures declare in Proverbs 20:7, ***“The righteous lead blameless lives; blessed are their children after them.”*** When you faithfully serve the Lord, He not only blesses you but also extends His blessings to your children and generations to come.

God remembers the labor of His faithful servants. He knows how you honor the Lord through your every prayer, seeds of service and offering for the Jesus Calls ministry and He promises to honor you and your generations in return. The psalmist beautifully writes, ***“The Lord remembers us and will bless us; He will bless those who fear the Lord-both small and***

great. May the Lord cause you to flourish, both you and your children” (Psalm 115:12,14). Yes, since you walk in integrity and love the Lord with all your heart, His favor will follow your household and His hand of protection will rest upon your family. Psalm 112:1–2 says, “Blessed is the man who fears the Lord, who greatly delights in His commandments. His children will be mighty in the land.” As you fear the Lord and honor Him, God will establish your generations in righteousness.

Honored with God's Presence

We see in 1 Samuel 2:30, God had said to Eli: ***“I promised that members of your family would minister before me forever....those who honor Me I will honor...”*** Yes, God promises to keep you and your generations in His presence forever when you honor Him. When God honors you, He shows it by the way He cares for you.

Think of Jesus with His disciples before He went to Gethsemane. John 13:3–5 describes how, knowing that the Father had given Him all authority, Jesus took off His outer garment, wrapped a towel around His waist, and began to wash His disciples' feet. What humility and love! As He gently washed their feet, feet scarred by thorns and rough paths, He was reminding them, "I walk this path of pain for your sake." He kissed those wounded feet tenderly. He knew they walked with Him all through His ministry on earth and He honored them by caring for them. That is why those very feet went into all the world, and through them, the Kingdom of Jesus was established throughout the earth. The same Jesus walks beside you today, tenderly washing away your tears and restoring your soul. He honors those who serve Him, refreshing their spirit and renewing their strength.

During one of the live prayer sessions aired on Television, I had received a call from a young girl named Sharon. She had conveyed her prayer request saying, "Uncle, my mom has breast cancer. She's undergoing treatment right now. Please pray for her." Moved with deep compassion for that family, I had prayed, "Lord Jesus, touch Your daughter right now. Let every trace of this cancer disappear completely. Uproot it from its very source. When the next test is taken, let there be no sign of this disease!" The Lord who hears the cry of His children had stretched out His healing hand. Not long after, the family called back with tears of joy. The doctors who examined her in the next test were astonished and they said, "There is absolutely no trace of cancer. Everything looks perfectly normal." That was in 2020, right in the midst of the pandemic when fear and uncertainty filled every home. But for Magimai Doss's family, his wife Geetha Starlet, and their children Esther, Evangeline Sharon, and Samuel, the Lord turned their mourning into dancing. Even today, Sister Geetha remains completely healed and strong by the grace of God. As I look back, I can only glorify the Lord who

*As your fear
the Lord and
honor Him,
He will establish
your generations
in righteousness*

performed this miracle. Truly, He is the same yesterday, today, and forever.

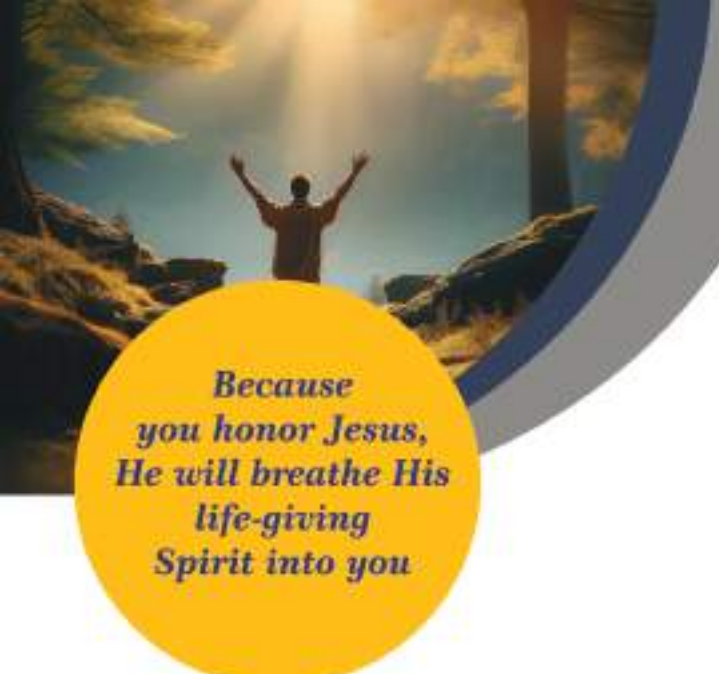

What an amazing God we serve! He honors those who honor Him by believing Him. No matter what pain or battle you face, the same Lord who washed His disciples' feet will be with you, care for you, comfort, refresh and lift you up. His love never changes.

Honored with God's Power through His Spirit

Jesus said in John 14:15-17,21, ***"If you love Me, keep my commands. And I will ask the Father, and He will give you another Advocate to help you and be with you forever-the Spirit of truth. The one who loves Me will be loved by My Father, and I too will love them and show Myself to them."***

After Jesus rose from the dead, He appeared to His disciples who were trembling behind locked doors, filled with fear and despair. Suddenly, Jesus stood among them and said, ***"Peace be with you!" Then He breathed on them and said, "Receive the Holy Spirit"*** (John 20:21–23). With that breath, He transformed frightened men into bold witnesses. His Spirit replaced their fear with faith, their weakness with power, and their sorrow with joy.

We know the story of Cornelius in the Bible

**Because
you honor Jesus,
He will breathe His
life-giving
Spirit into you**

described in Acts 10. An Angel of God appeared to him and said, ***“Your prayers and gifts to the poor have come up as a memorial offering before God”*** (Acts 10: 4). When Peter was brought to Cornelius’ house, God honored him and his family by pouring out His Holy Spirit on them all (Acts 10:44).

Beloved, because you honor Jesus, He wants to breathe the same life-giving Spirit into you. Perhaps fear has confined you, or disappointment has silenced your voice. But when His Spirit fills you, you will rise again. You will speak with courage, walk in authority, and build His Kingdom with power. The world will see the light of Christ shining through you.

This truth came alive in the life of Sis. Ruth Sathya from Erode. She shared, “In 2007, I was tormented by seven evil spirits for nearly three years. My husband spent large sums of money taking me to temples, but nothing helped. My sister-in-law told us about the Special Blessing Meeting to be held at the Bethesda Prayer Centre. I was weak and hopeless and came walking with the help of my husband but as I entered that holy place, the Scriptures along the path strengthened me. The prayer intercessors there prayed fervently, declaring that I would return with a testimony. That very moment, I felt a heavy burden lifted from my

spirit. I told my husband, ‘You can let go of my hand. I can walk by myself!’ From that day, I have been completely free. Today, my family rejoices in the Lord who delivered me.”

The same Jesus who set Ruth free is ready to deliver you today. When His Spirit fills you, every chain of fear, sickness, and oppression will break. His power will fill your heart and your home with peace, boldness, and divine authority.

Honored with God’s Provision

“The lions may grow weak and hungry, but those who seek the LORD lack no good thing.”

(Psalm 34:10)

In John 21:5–12, the disciples had labored all night without success. Then Jesus appeared and said, “Cast your net on the right side of the boat.” When they obeyed, they caught 153 fish, a miraculous harvest! When they came ashore, Jesus had already prepared fish and bread for them. What a tender image of the Savior’s care! The Lord who commands the winds and waves also prepares your daily bread.

I would like to remind you of the story of the widow of Zarephath who during a severe famine had only a handful of flour and a little oil left, just enough for one last meal for herself and her son. Yet, when the prophet Elijah asked her to make him a small cake first and promised that God would not let her flour or oil run dry, she chose to believe and obey. Her act of faith and honor toward God’s word brought an unending supply of food. Day after day, the jar of flour and the jug of oil never ran out. Obedience opened the door to divine provision.

Maybe you have been striving and struggling, yet seeing little fruit. The Lord says to you, “Because you trust Me and honor Me, I will show you where to cast your net. I will keep provision flowing into your family now and for all your generations.” When you obey His direction, your efforts will yield results

beyond your imagination for His provision flows not from earthly sources but from His heavenly storehouse.

One young woman, Sis. Jeba Kirubai Esther from Coimbatore, testifies, "Our family was in terrible debt. Creditors came daily, and we struggled even to eat. I was in school and worried about our future. I went to the Jesus Calls Prayer Tower for a special student prayer meeting. I prayed earnestly, and by God's grace, I passed my exams with good marks. My father got a good job too. I joined the Young Partner's Plan and kept praying. The Lord miraculously provided sponsorship for my college education. Before I finished my degree I was blessed with a good job, and I also completed my degree with distinction. Today, we are financially stable and blessed beyond our needs. God turned our shame into honor!"

The Lord who fed the widow of Zarephath and the disciples on the seashore by multiplying the fruits of their labor still provides today. He delights in meeting not only your financial needs but also the deepest desires of your heart. When you honor Him by obeying His word, lack turns into abundance and struggle into joy.

Honored with God's Perfect Blessings

"Because he loves Me," says the Lord, "I will rescue him; I will protect him, for he acknowledges My name. He will call on Me, and I will answer him; I will be with him in trouble, I will deliver him and honor him. With long life I will satisfy him and show him My salvation." (Psalm 91:14-16)

When you honor God with love and service, He will deliver you from all your troubles and protect you and honor you with blessings beyond your imagination.

As Jesus prepared to ascend to heaven, Luke 24:50 says that He lifted His hands and blessed His disciples. That blessing was not a farewell but a declaration of divine favor that continues to rest upon every believer even today. When the Lord blesses you, no circumstance can reverse it.

A beautiful example of God's blessing comes from Sister Ramanamma from Andhra Pradesh. Her son Rajesh and his wife Lakshmi were childless for fourteen long years. Their hearts ached, and their relatives mocked them. They tried every treatment, but nothing worked. Finally, they came to the Bethesda Prayer Centre and poured out their tears before God. The prayer intercessors prayed fervently, and soon, the Lord performed an incredible miracle. Lakshmi conceived and gave birth to triplets! The family named them Prabhu Deva, Prabhu Chaithanya, and Prabhu Sharan. As a token of their gratitude to God, they sponsored the Jesus Calls TV program on the day of their children's birthday. Today, their home is filled with laughter and joy. God turned their sorrow into a triple blessing!

Dear friend, this is the heart of your Heavenly Father. He delights in blessing His children abundantly. When you serve Him with all your heart, He lifts you up, protects your family, and honors your generations. He will care for you, breathe His Spirit into your heart, provide for your every need, and bless you beyond measure. So, move forward courageously. The Lord who honored Abraham and his generations will honor you too. Your life will become a testimony of His faithfulness. His promise remains true forever, ***"My Father will honor the one who serves Me"*** (John 12:26). May you and your generations be honored with God's blessings.

Prayer:

Loving Lord Jesus, Thank You for being a faithful and loving Father to Your children. Lord, You have promised to honor those who serve You, so let Your blessings flow into their life and into the lives of their children and generations to come. Wash their feet with Your mercy, cleanse them with Your love, and hold them close to Your heart. Fill them with the power of Your Holy Spirit, meet every need, and make them a channel of blessing to many. Let their family bring glory to Your name forever. In Jesus' mighty name, I pray for them. Amen.

"I will extol the LORD at all times;
his praise will always be on my lips." (Psalm 34:1)

Dear Beloved in Christ,

As we stand at the threshold of a new year, looking back at the days gone by, it's easy to see both triumphs and trials. But amid it all, there is one response the Lord desires from us: praise.

King David, in one of his most vulnerable moments, declared that he would bless the Lord at all times. Not just in days of celebration, but even in seasons of loss, loneliness, and pain. His declaration was not a reflection of ideal circumstances, but of an

unwavering heart of gratitude. In the same way, we are called to cultivate a lifestyle of thanksgiving, not as a seasonal practice, but as a daily offering to the Lord.

There was a season in my life when grief clouded my heart. I had lost my beloved parents, and sorrow had settled into my soul like a heavy fog. I would often say, "They are gone... I have no father, no mother, no brother," and my days were filled with tears. Joy felt distant, impossible, even. But one day, in God's divine kindness, my husband said something that changed everything. He looked at me and said, "Why do you keep mourning what you've

lost? Start thanking the Lord for what you still have. Look at the friends, the blessings, the love around you. Count them, one by one, and give thanks.” Those words pierced my spirit. That very day, I chose to shift my focus from what I lacked to what I had. I began to thank the Lord out loud, intentionally for every small blessing. As I did, sorrow gave way to strength. Mourning was replaced with meaning.

There’s a beautiful moment in the Gospels when Jesus observes a poor widow dropping two small coins into the offering box. Others gave much more, but Jesus says, **“She gave more than all of them.”** Why? Because she gave all she had (Luke 21:1–4).

Praise is much the same. You may feel like you have only a little to give. You may be walking through difficulty or weariness. But when you offer your praise, even through tears, it is a fragrance that delights the heart of God. He receives it not based on how “much” you feel you have, but on the heart from which it flows.

One man who exemplified this life of continual thanksgiving was my father-in-law late Brother D.G.S. Dhinakaran, a beloved servant of God. Despite enduring numerous physical ailments, trials, and personal sacrifices, he chose to live each day for the Lord. He didn’t allow weakness or discouragement to silence his praise. Whether he was writing books like ‘Insight into Heaven’, traveling the world to preach, or ministering through suffering, he gave himself fully to God’s calling. Even in his final days, he preached with tears and praised through pain. His life reminds us that true praise doesn’t wait for perfect circumstances. It rises from a heart that knows the One who holds all circumstances.

Dear one, perhaps you, too, feel the weight

of unfulfilled hopes or silent sorrows. Maybe you’ve said, “I don’t have the blessings others have,” and your heart feels barren. But let me gently encourage you: look again. See the unseen mercies. Look for the quiet blessings like the breath in your lungs, the strength to stand, the people who love you, the Savior who never leaves you.

Every time someone comes to me and says, “I don’t have what others do,” my heart quietly whispers, “Lord, You’ve given me those very blessings. Thank You Lord.” Every time I thank Him, joy rises afresh.

You don’t have to manufacture joy; you only need to open your mouth in praise. The joy of the Lord will fill you in return. That’s His promise. A heart of thanksgiving in one family member often inspires others to shift their focus from complaints to gratitude, transforming the entire household. When praise becomes a habit in the home, it creates an atmosphere of peace, joy, and unity that strengthens family bonds.

As this year comes to a close, let us not carry complaints into the new one. Let us, instead, offer up continual praise. As Psalm 22:3 says, **“The Lord inhabits the praises of His people.”** When you praise Him, His presence surrounds you, and His joy fills your heart. So, lift your eyes, dear child of God. Praise Him in the morning, thank Him in the evening. Let His goodness be the song on your lips as one year ends and another begins. Your offering of thanksgiving will be the sweetest fragrance rising to heaven. Let us glorify the Lord together, for He has been good to us. May God’s blessings abound in your life.

BUILD YOUR ARK OF PRAYER: A COVENANT OF BLESSING FOR YOUR FAMILY

Is Your Family Longing for a Miracle? In the quiet moments, between the demands of work, the pressures of life, and the worries that keep you up at night, do you dream of a home filled with God's tangible peace? A family united in love, sealed in prayer, and walking in His divine favor?

This isn't just a dream. It can be your reality.

Meet Aradhana: From Overwhelmed to Overflowing with Blessings

After our marriage, God blessed my husband and me with a son. But soon after, my husband was transferred to Agra and could visit us in Lucknow only on weekends. With a toddler to care for and a PhD to pursue, life became overwhelming. Though my father helped at times, I often felt burdened and lonely. In that season, I enrolled my family in the Family Blessing Plan. Miraculously, God answered every prayer offered for my family and my husband got a job in Lucknow and moved back home. By His grace, I completed my PhD and even received fellowships for postdoctoral studies. After five years, we longed for another child, but doctors said my egg count was very low and advised IVF if I didn't conceive within two months. My heart sank. But during a Family Blessing Prayer, God worked a miracle. I conceived naturally! My son had been praying for a sister, and the Lord answered by blessing us with a beautiful baby girl. Today, we rejoice as a complete and blessed family. All glory to God!

32ND ANNIVERSARY OF BETHESDA PRAYER CENTRE

The 32nd Anniversary of Bethesda Prayer Centre was commemorated by thousands of people from various states across India, where Dr. Paul Dhinakaran and Bro. Samuel Dhinakaran led prophetic declarations and shared the spiritual vision of Bethesda. Drawing from Isaiah 66, Dr. Paul Dhinakaran proclaimed that God's peace would flow like a river over Bethesda, bringing healing, prosperity, and divine comfort to families, institutions, and the nation. He emphasized that God's glory would be revealed through His chosen ones, sanctifying every believer and ministry partner to shine for His Kingdom. The message stirred hearts with promises of restoration, breakthrough, and visible manifestations of God's power.

Dr. Paul Dhinakaran and Bro. Samuel Dhinakaran prayerfully launched the move of God in two areas. One is the Bethesda prayer city project which will include showcases of miracles of Jesus, lives of servants of God, 24 hours worship, 24 hours prayer, retreat center and much more. The second launch is the move of God in raising sons and daughters to prophesy, inspired by Acts 2:17 and Haggai 2:9. Bro. Samuel Dhinakaran declared that God is raising up prophets, intercessors, and youth who will operate in the gifts of the Holy Spirit to pray, worship, prophesy and preach being led by the prophetic anointing of the Holy Spirit bringing miracles and healing power of God to people. It was affirmed that through this move of God, the place will become a beacon for nations, drawing kings and people to witness God's wonders.

The anniversary meeting was not only a reflection of past blessings but a launchpad for a future filled with spiritual transformation and global impact.

Dearly Beloved Partner in the Ministry,

As we continue to walk in faith and serve together in God's divine mission, let us be reminded of the glorious promise in Luke 1:35, **"The Holy Spirit will come on you, and the power of the Most High will overshadow you."** Just as God's Spirit empowered Mary to fulfil His divine purpose, the same Holy Spirit strengthens and anoints us to accomplish all that God has called us to do.

Dear partner, your faithful prayers, love, and support are a powerful testimony of God's presence working through you. Every seed you sow, every moment you intercede, and every act of kindness you extend is filled with the power of the Holy Spirit, bringing hope and transformation to countless lives. Be encouraged today that the same God who overshadowed Mary with His power continues to overshadow you with His favor, guidance, and strength. May His presence fill your life afresh, renew your vision, and cause His promises to be fulfilled through you. Thank you for standing with us in this sacred calling. Together, let us move forward, empowered by the Spirit, to see God's glory revealed in our generation.

PRAISE REPORT

I would like to share with you what God has done through the ministry in the past month so that we may exalt His name together.

◆ I praise God for His mighty hand upon this ministry and for the countless lives He continues to touch through prayer and outreach. At the Prayer Towers, over 1,36,020 visitors experienced the power of intercession, while 4,02,833 callers received comfort and miracles through the Telephone Prayer Towers and 12,621 callers through the Dial-A-Prayer service. Through social media, 4,70,441 new visitors were reached, and the E-magazines ministered to 1.5 lakh readers. More than 23,070 letters and 31,014 emails were prayerfully answered with words of God's love and promise. The Lord also moved powerfully through 62 outreach meetings, blessing 2,125 people, and during weekly fasting prayers, 19,004 individuals were provided with food. The recently launched

program Children Are a Blessing, under The Family series, has reached more than 1.5 million views, and we have received countless testimonies of how it has blessed people. Truly, God's name is glorified through your support and prayers as the souls touched keeps increasing.

◆ On October 10, 2025, we celebrated the 32nd Anniversary of Bethesda Centre with great spiritual fervor, welcoming hundreds of attendees from across India. The Lord gave me a prophetic word from Isaiah 66, declaring that His peace, glory, and comfort would flow over Bethesda and transform families and nations which I shared in the meeting for God's glory. My son, Samuel, shared a powerful vision for Bethesda's future, and together we personally prayed over each attendee, releasing blessings and affirming

Bethesda as a center of revival and 24x7 worship.

◆ On the same day, my mother, Sis. Stella Dhinakaran, ministered at the JC Prayer Tower, Parrys in Chennai, commemorating the day my father received the Lord's anointing. Around 1,000 people gathered to seek the Spirit of God as she shared from Leviticus 26:11, encouraging believers that God will dwell among them through His anointing. She prayed for families to be filled with compassion and blessing, while anointing meetings were held simultaneously in all Prayer Towers across the nation, glorifying the name of the Lord.

PRAYER REQUESTS

In December, our goal is to touch lives like never before reaching 2,50,000 people through the Prayer Towers, 10,00,000 callers through the Telephone Prayer Towers, 2 crore individuals through TV and social media, 1,00,000 people through letters and emails, and 2 lakh homes through the magazines. Please uphold these efforts in your prayers, that every effort may bear abundant fruit and transform countless souls for God's glory.

(Matthew 25:40)

After completing college, P.A. Ragland from Kavalkinaru faced difficulty finding a job due to limited industry skills. Through SEESHA's Tally ERP training in Chennai, he gained accounting, Microsoft Office, and digital skills. With SEESHA's placement support, he is now employed as an Accounts Assistant, earning Rs. 15,000 per month.

This is just one of the ways SEESHA is changing lives through countless social services which empower the underserved through education, skill training, healthcare, and compassion. Each year, especially during the festive season, thousands of children from marginalized communities receive new clothes through SEESHA's "Joy of Giving" initiative. Let us thank God for SEESHA's ministry over the past two decades and pray for this year's outreach to bless many more lives. You can find donation details on page 26 of this magazine.

does He watch over you His beloved child? He knows your value, your needs, your fears, and even the number of hairs on your head.

The Care That Never Sleeps

One evening, as I walked across our campus, I noticed the security guard at the gate. He was supposed to be watching and protecting, yet his eyes were glued to his phone. He did not even notice me approaching him. I gently asked, "Sir, are you well? Are you too busy to watch?"

That moment made me realize how limited human protection can be. Even the most sincere people sometimes fail to notice or safeguard us. But our heavenly Father is never distracted. He never dozes off. He never overlooks our presence. Psalm 121:3–4 reminds us: ***"He will not let your foot slip— He who watches over you will not slumber; indeed, He who watches over Israel will neither slumber nor sleep."***

Unlike earthly protectors, God's eyes are always on you. His care is

UNDER THE Father's CARE

My dear young friend, welcome to November! Each new month carries a fresh promise from God, and this November the Lord whispers a beautiful assurance into our hearts: You are under the Father's care.

Think about that for a moment. What does it mean to be under His care? It means that God does not leave you to walk alone, He does not turn away when life feels overwhelming, and He does not overlook the smallest details of your journey. His care is constant, watchful, and tender.

Jesus describes this care in Matthew 10:29–31: ***"Are not two sparrows sold for a penny? Yet not one of them will fall to the ground outside your Father's care. Even the very hairs of your head are all numbered. So don't be afraid; you are worth more than many sparrows."***

Two sparrows may seem insignificant in the world's eyes, but not one falls without the Father's notice. If God pays such close attention to sparrows, how much more

constant, whether you are awake or asleep, surrounded by friends or sitting alone.

Guided in Every Detail

When I look back at my own life, I can clearly see how God's fatherly care has shaped me. As a child, He gave me a deep thirst for His Spirit. At the right time, He filled me with the Holy Spirit, guiding me into a closer walk with Him. I remember attending meetings where my grandfather and father would preach. My siblings and I would sit quietly in our chairs, taking notes of every verse they quoted. Those early disciplines were not just habits but they were the Father's way of teaching us reverence and shaping our character. The Lord also guided me in practical matters. He whispered in my heart about how to dress modestly, what entertainment to avoid, and when to step away from distractions. At times, while watching a video or listening to a song, I would suddenly feel uneasy inside. I knew it was the Lord cautioning me: "This is not right. Leave it." That inner nudge was His loving care, keeping me safe from influences that could pull me away from His purpose.

Prepared for His Plans

The Father's care not only protected me but also prepared me for the path ahead. From a young age, He used my father to encourage me in singing and music. At school, He gave

me opportunities to act in skits, participate in competitions, and discover my gifts. Those small beginnings became stepping stones to larger platforms—singing in meetings, speaking at leadership conferences, and even addressing parliamentarians. I often marvel at this journey, because I know I am not worthy of such opportunities. Yet the Father planned them all. At each stage, He provided the skills, the courage, and the wisdom I needed. He fed

me at the right time, launched me into the right places, and continues to lead me still.

The Same Care for You

My friend, the Father's care is not just for me, it is for you too. He knows your struggles and understands the fears you rarely voice. He sees the dreams hidden in your heart and the battles you fight in secret. He promises to hold you, feed you, and guide you through every season. You may feel lonely at times, but you are never truly alone. Even when parents, friends, or leaders cannot walk beside you, your heavenly Father is there. His care will not let your foot slip or your life fall.

This November, rest in the assurance that the Father's eyes are on you. Trust Him to guard your steps, guide your decisions, and provide for your needs. His care is perfect, unchanging, and deeply personal. May God bless you richly this month as you live under the Father's unfailing care.

*I've been faithful in my relationships,
but it feels like no one values faithfulness
anymore. What's the point of staying
committed when others don't?*

Are You Still Being **Faithful?**

– VINITHA JOSEPH

Dear beloved,

That's an honest and heartfelt question and if you're asking it, you're not alone. We live in a world where relationships are celebrated, anniversaries are shared on social media, and love is often shown in pictures but behind the scenes, something deeply troubling is happening; faithfulness is going out of fashion.

Today, it's become common even casual for people to move from one relationship to another, to keep their options open, or to emotionally check out when things get tough. But the Word of God calls us to something higher, something sacred: faithfulness.

It's still beautiful to celebrate the people we love, but even more beautiful is the decision to stay faithful to them not just in happy moments, but in hard ones too.

I recently heard a touching story of an elderly couple. They had been married for

decades, but the wife had become increasingly irritable and demanding. At every turn, she would criticize her husband: "You didn't do this right... This is wrong... Take this bag... No, not that way..." One day, a doctor who witnessed this asked the husband, "Why are you still with her after all these years?" The man gently replied, "Because I made a vow. At the altar, I said, 'In sickness and in health, till death do us part.' And I meant it. I will be faithful to her no matter how she is."

That is the power of covenant. That is the beauty of godly love. Whether it's your spouse, your parents, your best friend, or even a mentor, faithfulness is the glue that holds relationships together. It's not just about grand gestures, but about choosing to love, respect, and stand by someone, even when it's not easy.

DR. SHILPA DHINAKARAN *Answers...*

So how can we stay faithful in our relationships?

Don't compare your loved

one to others: Comparison is a thief. It steals joy and distorts the uniqueness of the person God gave you.

Guard your eyes and your

heart: The first step toward unfaithfulness is often not physical, it's emotional. Stay watchful. Don't entertain thoughts or images that don't honor your relationship.

Communicate often and kindly:

Misunderstandings can turn into mountains when there's silence. But communication, especially filled with grace, brings healing.

Remember who joined you together: No matter what arguments arise, remember this: God united you. Your spouse is not your enemy. They're your partner, your other half, your God-given companion.

One of the most powerful pictures of faithfulness in Scripture is the story of Hosea and Gomer. God asked Hosea, a prophet, to marry a woman named Gomer who would be unfaithful to him. Time and again, she betrayed him. But Hosea kept taking her back. Why? Because God was painting a picture of His own faithfulness to us, a people who often wander, yet are always welcomed back.

Friend, if God is so faithful to us in our weaknesses, how much more should we reflect that in our relationships? You might ask, "But what if I was faithful and still got

Faithfulness is the glue that holds relationships together. It's about choosing to love, respect, and stand by someone, even when it's not easy

hurt?" This is a question I often receive. Someone once told me, "Sister, I gave my all. I was loyal, honest, loving. But the other person still cheated, still left, still broke my heart. What's the point of being faithful?" To you,

dear friend, I say this: God sees you. He saw every tear you cried in secret. He saw the integrity of your heart.

Proverbs 28:20 says, ***"A faithful person will be richly blessed."*** Your faithfulness is not wasted. It is noticed, and it will be rewarded.

Maybe the person you were faithful to didn't value it, but God does. He will either restore the relationship or bless you with something even better. No matter what happens, you will have the quiet confidence of knowing: I stayed true. I loved well. I did not betray.

If you're holding onto faithfulness when the world tells you to let go, be encouraged. You are walking the narrow path so the One God Himself walks with you. God heals broken hearts. He restores broken trust. He honors those who honor Him.

So don't give up. Don't believe the lie that being faithful is pointless. It's powerful, it's rare, and it's sacred. Your reward is not just a better relationship, it's God's favor resting upon your life. Stay faithful, for your faithfulness will flourish into blessing both in this life and the life to come. I pray and wish God's reward to come upon your life.

A SPONSOR'S TESTIMONY - FROM DEPORTATION TO GREEN CARD

My son, Vaishakh had been working in the U.S. for seven years with no issues until suddenly his project ended, forcing him to return to India even though he still had three years left on his visa. He tried for opportunities in Trivandrum, but there were no projects. He felt completely stuck. In that desperate time, I wrote to Dr. Paul Dhinakaran for prayer. With great faith he assured me, "Your son will definitely get a job." Just as he prayed, God opened a way and my son received a wonderful job in a government-based IT company in the U.S. In gratitude, I gave a thanks offering and sponsored a TV programme. Soon after, God blessed him with a green card. God not only gave my son a job but also a permanent blessing of residing in the U.S. All glory to Him!

PATH OF *Divine* TRUTH

"LEAD ME IN YOUR TRUTH AND TEACH ME." (PSALM 25:5)

This is the prayer request that should be offered to God by everyone of us, every day. David, the man of God, thus prays to the Lord in all reverence. That's why we read in I Chronicles 29:28, that he "died in a good old age, full of days and riches and honour." On the basis of the Scriptures, let us examine how to follow this divine life and thus receive His blessings!

Lead me in Your truth and Teach me

What should we do to receive such kind of divine leading? As seen in Psalm 69:13, we should pray to the Lord. Then, out of His rich mercies, the Lord would fill us with truth, 'His salvation'. From John 8:44, we know that the devil is a liar and the father of it and that he does not stand in the truth because there is no truth in him. In John 14:6, the Lord Jesus says, "I am the Way, the Truth and the

Life." In John 17:17, we read that the 'Lord's word' is the truth. Yes, the Word of God sanctifies us. Similarly, the Scriptures of the Lord also revives us. David says out of his experience, "Your word is a lamp to my feet and a light to my path" (Psalm 119:105). How much do we read the Word of the Lord diligently and reverentially? Do we have this divine experience?

Apostle Paul writes to Titus, His servant that one should be 'holding fast the faithful word' (Titus 1:9). We read in the Bible, Mary, sister of Martha, sat at Jesus' feet, and heard His word and Jesus telling about her that 'she has chosen that good part, which will not be taken from her' (Luke 10:39-42). Jesus says in John 5:24, "he, who hears My word and believes in Him who sent Me has everlasting life, and shall not come into judgment, but has passed from death into life." In Colossians 3:16 we read, "Let the word of Christ dwell in you richly in all wisdom."

According to John 5:24, “he, who hears My (the Lord’s) word and believes in Him who sent Me has everlasting life.” “But on this one will I look: on him who is poor and of a contrite spirit, and who trembles at My word” (Isaiah 66:2). The same is read in verse 5 as well.

For example, Bro. D.G.S Dhinakaran feared God and read and meditated on His words carefully and diligently and preached them to the people. It was of great comfort and blessing to the people. Similarly, even today, when every servant of God and family people would read the Scriptures reverentially and are filled with the ‘truth’, it is certain that they would grow in the Lord, and would be blessed with increase on all sides.

Grow up in all Things

Saint Paul, His servant, while writing to the Ephesians writes thus, “Speaking the truth in love, may grow up in all things” (Ephesians 4:15). To what extent should be this growth? As read in Ephesians 4:13, we should all come to the unity of the faith and of the knowledge. We read that Abraham was chosen by God, was filled with faith, knowledge and truth and enjoyed rich blessings in his life.

The biggest misery in this world is not having a child. Abraham, lived with this painful situation for a long period in his life. But, what did he do to receive this rich blessing from God?

“And not being weak in faith, he did not consider his own body, already dead and the deadness of Sarah’s womb. He did not waver at the promise of God through unbelief, but was strengthened in faith, giving glory to God and being fully convinced that what He had promised He was also able to perform.”

(Romans 4: 19-21)

The above verses wonderfully explain how

When you read the Scriptures in reverence and are filled with the truth, you shall grow and increase in the Lord

it was possible for him to receive abundant blessing from that state of lack. Firstly, not being weak in faith, he became strengthened in faith by reading His Scriptures diligently, by claiming the promises given there for himself and by giving glory to God, fully convincing himself that He who had promised was able to perform it! He did not consider his own already dead body and the deadness of Sarah’s womb. Yes, we read this in Genesis 18:11.

How did Faith increase in Him?

We read clearly that he gave glory to God, being fully convinced that what He had promised He was also able to perform.

My dear ones, who are hopeless and are in tears today because of various needs and lacks in life such as lack of the gift of a child and other such things! Kindly read the Bible diligently, examine the truths in it and pray to the Lord in faith. Then the Lord would change all the lacks in your life and lead you in a blessed way as we read in John 8:32, “You shall know the truth and the truth shall make you free.”

My own life is a classic example for this! Initially, our married life was in tears and agony as first I had a miscarriage, followed by a still born boy child. At that juncture, both of us had faith on the Lord and His word and according to Isaiah 26:3, we had perfect peace, “You will keep him in perfect peace, whose mind is stayed on you, because he trusts in

You.” Also, following that, we received the perfect blessing from the Lord. Yes, we were blessed with dear son Paul Dhinakaran and dear daughter Angel, after 6 years and rejoiced!

Today, the Lord is waiting to grant you the same blessing. So, you should also meditate on the truth diligently and reverentially and receive your blessing like Abraham did. There is no partiality with our Lord. According to Psalm 34:10, seek the Lord reverentially and receive the benefits you need from Him.

“The blessing of the Lord makes one rich,

and He adds no sorrow with it.”

(Proverbs 10:22)

Obey the Truth

“Purify your souls in obeying the truth through the Spirit...”

(I Peter 1:22)

“But when that which is perfect has come, then that which is in

part will be done away.”

(I Corinthians 13:10)

“...so that you come short in no gift, eagerly waiting for the revelation of our Lord Jesus Christ, who will also confirm you to the end, that you may be blameless in the day of our Lord Jesus Christ.”

(I Corinthians 1:7,8)

You should wait for the Lord’s Second coming, being established in Him. It is the

‘filling of the Holy Spirit’ that paves the way for this divine life. The Lord Jesus Christ has set us an example for us by living a victorious Christian life. The reason, as we read in Acts 10:38, “the God of gods anointed Jesus Christ with the Holy Spirit and with power and was with Him.”

How to receive this holy life in this world?

As we read in Luke 11:13, “the heavenly Father will give the Holy Spirit to those who ask Him.” So let us pray to Him in faith and reverence that He should fill us with His Holy Spirit. The Lord will fill us, according to His word.

Everyone in my family is an example for this. The moment Bro. Dhinakaran realized this truth, he earnestly prayed to the Lord for 7 years, to fill him with the Spirit of the Lord. Accordingly, he was wonderfully filled with the Spirit of the Lord, His gifts and power and lived a glorious life for Him. Following him, as a family and most of our relatives also received this divine life and are good witnesses for Him, till today.

My dear ones, In Acts 10th chapter in the Bible, we read that Cornelius, who was a Gentile, had this divine desire and hence he, along with his family and friends, received a life of being filled with the Lord’s power and lived as a good witness for Him.

Dear ones! Even today, each one of you, who are reading this should desire for this life of being filled with this divine power and commit your life before Him in reverence in order that it would be holy and that you would be a pillar and support for truth and be blessed. May God give you the grace to fear the Lord, with the longing to be filled with the Spirit of truth and to live a life of glory to Him and thus lead many others in this divine path!
