JESUS CALLS

INTERNATIONAL

Vol. 6 Issue 11 DECEMBER 2025

The Jesus Calls Prayer Festivals held in Arunachal Pradesh in November 2025 witnessed a powerful move of God among more than 6,000 people. The Roing Prayer Festival began on 8 November, where Bro. Samuel Dhinakaran ministered under a strong anointing, preaching from Psalm 118:14–16 about God bringing the sound of victory in the lives of people gathered. Many people reported healing and breakthroughs throughout the meeting. Earlier that morning, Bro. Samuel inaugurated the Word of Faith Bible Training Centre Church, dedicating it to God as a future centre of spiritual growth for the region.

On 9 November, the second day of the Festival, God's presence continued to work mightily. Preaching from Acts 1:4-5, Bro. Samuel spoke on the promise of the Holy Spirit and urged the people to live in full surrender. As he prayed and laid hands on the attendees, many experienced healing, deliverance, and spiritual renewal.

A remarkable testimony came from Sis. Rebika Komut from Pasighat, who travelled over 150

laid hands on her, she was instantly delivered and completely healed. Her sister, who had faced menstrual complications for seven months, also received immediate healing during the evening prayer. Their

testimony stands as a strong reminder of God's compassion and restoring power.

These gatherings marked Arunachal Pradesh with unforgettable moments of healing, renewal, and victory, bringing glory to God and lasting impact to the people.

Dear friend,

The greatest truth that shines through this blessed season is that God is love. The Bible declares in 1 John 4:8, "God is love."

Verse 7 says, "Love comes from God."

This divine love was revealed to humanity in the form of God in flesh,

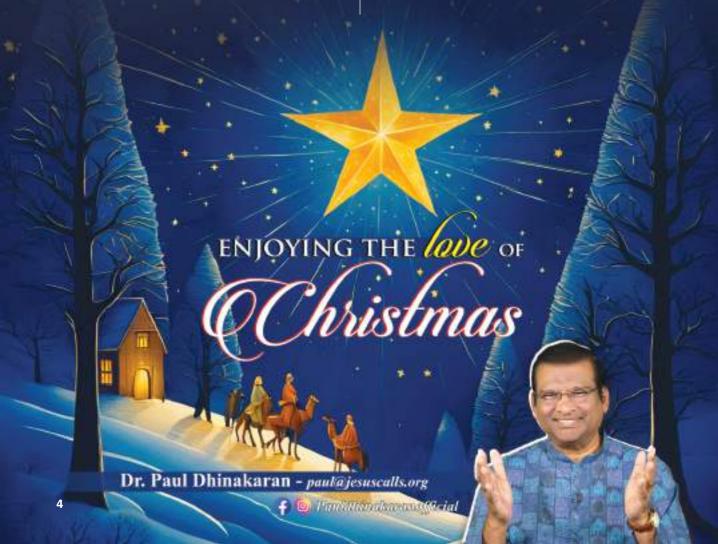

Jesus Christ, on that first Christmas day.

Jesus, the embodiment of God's love, came into this world full of grace, mercy, and compassion to save us and grant us life in this world and for the world to come. John 3:16. As 1 John 4:9 states, "This is how God showed his love among us: He sent his one and only Son into the world that we might live through him." Yes, love came down to earth, clothed in human flesh, to reveal the heart of God.

Love had to come into the world to bring us life because the world we live in, is filled with lovelessness. Human heart is tainted by greed, lust, and selfishness.

Recently, there was news reported about a

man named Ramkesh, a 32-year-old civil services aspirant. He possessed some private photographs of a 21-year-old criminology student named Amrita. Despite her repeated pleas, he refused to delete those pictures. Fearing that he might circulate them on the internet, Amrita, in a moment of panic and desperation, joined with her ex-boyfriend and his friends to kill Ramkesh. The news published said that they carried out the crime by burning him alive. Her fear drove her from one sin to another to kill. No love between both! Such is the condition of the human heart. It is filled with evil and devoid of true love.

Another shocking story recently appeared in the news. A young anaesthetist, married to a beautiful female dermatologist, got involved with another woman through social media. One day, he sent a message to his lover saying, "I have killed my wife for your sake; now come to me." He had poisoned his wife to death. However, this very message led to his arrest by the authorities. Outwardly, both appeared attractive and successful, yet the husband's heart was filled with greed, lust, and selfishness.

Such stories reveal the darkness of the human heart. But in the midst of this darkness on earth, divine love was birthed on earth through Jesus who came to make humanity

experience real lovethe Godly love that brings righteousness, forgiveness, restoration and life.

Love came to atone for our sins

According to 1 John
4:10, "This is love: not that we loved God, but that he loved us and sent his Son as an atoning sacrifice for our sins." God, in His love, came not to condemn but to save us from the power of sin. Romans 6:23 reminds us, "For the wages of sin is death, but the gift of God is eternal life in Christ Jesus our Lord."

Through His sacrifice, Jesus bore our punishment and became the atonement for our sins. Isaiah 53:5 says, "But he was pierced for our transgressions, he was crushed for our iniquities; the punishment that brought us peace was on him, and by his wounds we are healed." On the cross, Jesus cried out in love, "Father, forgive them, for they do not know what they are doing" (Luke 23:34). Divine love took upon itself the judgment we deserve. As

1 Corinthians 13:4 declares, "Love is patient, love is kind." In love, Jesus suffered on the cross to cleanse humanity from sin, lust, hatred and selfishness. Love heals and restores.

One powerful testimony illustrates this redeeming love. A dear sister named Daisy earned her livelihood by selling flowers on the streets. Out of her humble income, she faithfully gave ten percent to support the ministry to the broken-hearted at the Prayer Tower. However, her husband was a severe alcoholic who squandered all her hard-earned money. They lived in debt, pain and great suffering. One day, a Jesus Calls Prayer Festival was held near her town. Daisy attended with her husband, but he refused to come into the

stadium to attend the prayer meeting.
During the prayer,
Brother D.G.S.
Dhinakaran suddenly called out her name, saying, "Daisy, all your troubles due to your husband are being

seen by Jesus. He is taking them away." Overwhelmed, Daisy came forward to the platform and testified, "Yes, it is I who am going through the sufferings Brother D.G.S. Dhinakaran mentioned." When asked about her husband, she replied tearfully, "He is somewhere outside. He will never come here." But through the microphone, I said, "The husband of this dear sister, wherever you are, come to the platform." At first, Daisy wept bitterly, believing he would never respond. But after a while, her husband appeared-drunk and dressed in shabby clothes. As he approached, I had lovingly embraced him and my father also did so. Shocked and speechless, the man stood still as the love of God flowed through that

Empowering love

flows to heal and

restore others

embrace. In that divine moment, the Lord touched and healed his heart. After twenty-eight long years of alcohol addiction,

Healing love restores broken hearts and bodies

man and healed him instantly. That same compassionate Jesus lives today, and He will heal you too, for His love never changes.

he was instantly delivered and became a new man. From that day forward, he never returned to his old life. Together, Daisy and her husband began to follow the Lord wholeheartedly. God blessed them abundantly granting them a new home as they contributed toward the building of a Prayer Tower. Today, he runs his own business, living a transformed life free from the bondage of sin.

When two blind men came crying out, "Lord, Son of David, have mercy on us," Matthew 20:34 records, "Jesus had compassion on them and touched their eyes. Immediately they received their sight and followed him." The same Jesus, full of love and compassion, is with us even now. He will touch and heal you as well.

Truly, God heals. Love heals. What He did for Daisy and her husband, He will do for you. Enjoy this love of Jesus to enjoy life in this world.

The Word of God further affirms this in Acts 10:38: "God anointed Jesus of Nazareth with the Holy Spirit and power, and he went around doing good and healing all who were under the power of the devil, because God was with him." The anointing of divine love rested upon Jesus, and through that love, He delivered those oppressed by the enemy. Luke 5:17 declares that healing flowed out of Him.

Love came to heal and deliver us

Out of that same love, Jesus offered His own body as a sacrifice for our healing. Matthew 8:17 says, "He took up our infirmities and bore our diseases." On the cross, His body was wounded with nails, beaten by whips and crowned with thorns. He carried all our sicknesses and weaknesses upon Himself so that we might be made whole.

Along with forgiveness, God's love also delivers from sickness and demonic oppression. When Jesus walked the earth, He healed and restored all who came to Him. Matthew 9:35,36 records, "Seeing the people were as sheep without a shepherd, harassed and helpless, Jesus went through all the towns and villages, teaching in their synagogues, proclaiming the good news of the kingdom and healing every disease and sickness." Out of His great love, Jesus healed the sicknesses of all who came to Him in faith.

Today, wherever you are, cry out to Jesus. His love will reach you and heal you by His stripes and wounds. For as Scripture promises, "By his wounds we are healed" (Isaiah 53:5). Love heals, and that love is Jesus Himself.

Throughout His earthly ministry, Jesus revealed the depth of God's love through healing and compassion. In Mark 1:41, when a man with leprosy begged Him, "If you are willing, you can make me clean," the Bible says, "Jesus was moved with compassion, reached out his hand and touched the man saying "I am willing, 'Be clean!"" Out of love, He laid His hand upon the

A recent testimony from Itanagar illustrates this truth. On October 18, 2023, Mrs. Nabha Mania from Itanagar was working in a cardamom field when an insect bit her. Soon after, she developed a high fever, and her left leg became numb. When she visited the doctor, he said gravely, "Poison has spread throughout your left

leg. We will have to amputate it." But Mrs. Nabha firmly refused the operation, choosing instead to trust in God's healing power. At that time, I had travelled to Itanagar to pray for the people during a Prayer Festival attended by thousands. On October 29, Nabha was carried to the meeting, her leg completely paralyzed. She was laid near the stage, unable to move. That night, the Holy Spirit spoke clearly to my heart, saying, "I will heal everyone and make their organs come back to life. Pray for them." As I prayed, the love and power of God descended upon the crowd. Nabha later testified that she suddenly felt a cool sensation spreading through her leg, as though someone were applying ice to it. Then

her leg began to shake.
In that moment, she
leapt to her feet,
completely healed,
and ran to the stage
shouting, "Jesus has
healed me!" The
same woman who
had been carried to the

meeting by four people walked back home on her own that night completely restored. When she returned to the doctor, he was astonished and said, "There is no need for amputation. You have a new leg!" Today, two years later, Mrs. Nabha Mania remains perfectly healthy.

Truly, the love of Jesus heals and makes all things new. Now that power of God is ready to come upon you.

Love came to transform us to His life

Love came not only to forgive and heal but also to fill us with life-to help us live as God's children on earth. The Lord revealed His love to make us righteous and to empower us to live as children of God in this world. 1 John 4:15 declares, "If anyone acknowledges that

Jesus is the Son of God, God lives in them and they in God." When we confess Jesus as Lord, God Himself dwells within us.

Continuing in 1 John 4:16 Scripture says, "And so we know and rely on the love God has for us. God is love. Whoever lives in love lives in God, and God in them." When Christ abides in us, His love fills our hearts and overflows to others. The Apostle Paul writes in Romans 5:5, "And hope does not put us to shame, because God's love has been poured out into our hearts through the Holy Spirit, who has been given to us." The Holy Spirit, the Spirit of Jesus, fills us with divine love that brings strength, peace, and security. When this love fills our hearts, fear has no place.

As 1 John 4:18 reminds us, "There is no fear in love. But perfect love drives out fear, because fear has to do with punishment. The one who fears is not made perfect in

love." Even in the midst of life's challenges, we can live fearlessly, knowing that God's love sustains us.

Through His love, we come to know God personally. 1 John 4:17 says, "In this world we are like Jesus." As His love matures in us, we reflect His nature to the world. This desire to know God deeply is beautifully expressed in Philippians 3:10, "I want to know Christ." As love fills our hearts, we become channels of His glory.

Colossians 1:27 declares, "To them God has chosen to make known among the Gentiles the glorious riches of this mystery, which is Christ in you, the hope of glory." When Christ, who is love Himself, lives in us, we carry His presence wherever we go.

Transforming love

makes you live

Jesus also gave us this assurance in John 14:13–14: "And I will do whatever you ask in my name, so that the Father may be glorified in the Son. You may ask me for anything in my name, and I will do it." When His love fills our hearts, our prayers are infused with confidence and peace.

1 John 5:14 reaffirms this truth: "This is the confidence we have in approaching God: that if we ask anything according to his will, he hears us." The love of God within us gives us boldness to approach His throne, knowing that He listens and responds.

When the Holy Spirit fills us with divine love, He enables us not only to pray but also to forgive. As Jesus said in John 20:22–23, "And with that he breathed on them and said, 'Receive the Holy Spirit. If you forgive anyone's sins, their sins are forgiven; if you do not forgive them, they are not forgiven." True love always forgives, because it mirrors the heart of Christ.

Love empowers us to bring life

Finally, the Lord commissions every believer to be a carrier of His love. John 20:21 declares, Again Jesus said, 'Peace be with you! As the Father has sent me, I am sending you.' Just as the Father sent Jesus into the world as a vessel of love, He now sends us to share that same transforming love with others. Through His Spirit, God enables us to forgive others and carry His love to the world.

Sushant, an agricultural student, began his course with an impressive 20th rank. However, he soon fell into bad company and became addicted to alcohol and drugs. As his life spiraled downward, he sank into deep depression and eventually lost his job. One day, while watching YouTube, Sushant learned that I was coming to Raipur for a Jesus Calls Prayer Festival. His mother urged him to attend. The gathering was massive, with thousands of people present. When Sushant arrived, he was

overwhelmed by fear-he felt hopeless and believed he had no reason to live. But in that moment, the power of God moved mightily. In the midst of the vast crowd, a prophetic word came forth: "Sushant, God has called your name. He knows you, and He has heard your prayers. Do not destroy your life. God has a beautiful future for you. Believe in Jesus-He is your Father." Hearing his name spoken from the platform stunned Sushant. He was filled with awe, realizing that the Almighty God had personally called him through Brother Paul Dhinakaran. Instantly, he felt a dark burden lift from his life. The hold of sin, addiction, and depression broke completely. Every chain of bondage disappeared in that very moment. Later, as Sushant began to fast and pray, the Holy Spirit descended upon him in power. He received spiritual gifts and began ministering prophetically, bringing encouragement and divine guidance to many. Through God's grace, Sushant who was once broken and bound became a vessel of blessing to others.

The same transforming grace that touched Sushant is available for you today. God knows your name, hears your prayers, and has a beautiful future prepared for you. This Christmas, may every heart experience the transforming power of God's divine love that forgives, heals, restores, and gives new life. Jesus, the embodiment of love, is with us today. His love never fails. God bless you and have a wonderful Christmas filled with the love of Jesus.

PRAYER:

Loving Father, thank You for revealing Your love through Jesus Christ. Let Your healing and forgiving love fill my heart and home and cleanse me transforming me to life itself. Let your love flow into me to heal my sickness, to deliver me from my oppression and restore my broken life. Let Your Holy Spirit empower me to live in Your love and bring healing to others. Transform me into your life through your love. In Jesus' precious name, Amen.

MIRACULOUS HEALING

On October 24th, my father in the Fiji Islands suddenly fell ill and could not recognise his children or anything around him. While he was being taken to the hospital, my husband called the Jesus Calls Prayer Tower in Dallas, Texas. The Prayer Intercessor prayed for my father with such compassion as if he were sitting right in front of her. Amazingly, within just two days, my

70-year-old father began to recover, leaving even the doctors astonished. All glory to Jesus for this miracle and heartfelt thanks to the Dallas Prayer Tower for their powerful prayers.

HEALED FROM EXCRUCIATING EAR ACHE

I had been suffering from a severe earache for weeks. The pain was so unbearable that I couldn't sleep and spent many nights in tears. Exhausted and desperate, I finally called Jesus Calls, hoping for a miracle. The moment the Prayer Intercessor spoke, I felt God's comforting presence. They listened patiently, prayed with such gentleness, and shared encouraging scriptures. By the time I ended the call, my earache had completely disappeared. Overwhelmed with joy, I called back just two minutes later to testify about the miracle. All glory to God!

Dear friend,

It was a cold winter night in Bethlehem. The shepherds huddled around their fire, guarding their sheep from the chill and darkness. Life was ordinary until the heavens broke open with radiant light and the voice of an angel declared, "Do not be afraid. I bring you good news of great joy that will be for all people" (Luke 2:10). In a single moment, the night of routine turned into a dawn of redemption. That same message still echoes through every generation: Christ the Savior is born!

Let the Christmas joy be shared

The shepherds did not merely hear the message-they acted on it. Scripture says they hurried to Bethlehem to see the new-born King. They found the Christ Child wrapped in swaddling clothes, lying in a manger, just as the angel had said. The encounter changed

them forever. When they had seen Him, "they made widely known" what was told to them about the Child (Luke 2:17).

Their reaction reminds us that true joy in Christ cannot be contained. Real Christmas joy propels us to move, to witness, to share. It is not a fleeting emotion or seasonal cheer; it is a deep, royal joy birthed by the presence of Jesus in our hearts.

Christmas is a celebration of divine adoption. The birth of Jesus proclaims that God came down to make us His sons and daughters. When we believe in Him, He welcomes us into His kingdom and calls us His family. This is not an earthly joy that fades, it is a royal joy

EvangelinePaulDhinakaran | evangeline@jesuscalls.org

that establishes our eternal identity as heirs with Christ. The world often measures happiness by possessions, status, or success, but Christmas joy is far greater. It assures us that the King of kings has chosen to dwell among us. Because of His birth, we share in His royal inheritance, a kingdom that cannot be shaken. This is why no person, circumstance, or sorrow can take away the joy that Jesus gives.

What happens when you share Jesus with others?

The joy of Jesus spreads wherever Jesus is shared. The angel's message was not for one person or one night but it was "for all the

people." When we tell others about Him, we multiply joy in the

world. Every testimony of His

world. Every testimony of goodness, every act of kindness in His name, and every prayer spoken in faith carries the fragrance of Christmas beyond December.

A few years ago, a young nurse named Hannah worked long hours in a hospital ward during the

Christmas season. The world around her sparkled with lights and gifts, but her heart was weary. Her parents were separated, and her younger brother had walked away from faith. On Christmas Eve, as she tended to an elderly patient, the woman grasped her hand and whispered, "Child, Jesus came to bring you joy that no one can steal." Those simple words pierced her heart. That night, after her shift ended, Hannah walked into a small chapel near the hospital. The nativity scene glowed softly before her eyes. For the first time in years, she prayed sincerely, "Lord, I want to know that joy again." As she prayed, peace flooded her soul. She realized that Jesus had never left her; she had only stopped listening. The next day, she visited her parents, spoke words of forgiveness, and encouraged her brother to join her for church. What began as a lonely Christmas turned into a season of restoration and joy. Like the shepherds, Hannah could not keep quiet about what she had seen and experienced.

Jesus is the reason for our lives. He is the only true source of blessing. When we carry Him into our homes, workplaces, and communities, we become bearers of His royal joy. The carol "Go Tell It on the Mountain" beautifully captures this call to declare to the world that Jesus Christ is born.

As we celebrate this holy season, may the Lord fill our hearts with enduring joy

not just for Christmas, but

for every day of the year. Let every misunderstanding be healed and every home be united in love. May His presence bring restoration in families,

honor where there was shame, and peace where there was turmoil. Let the joy of the Holy

Spirit overflow in us until we cannot help but share it. The shepherds returned to their flocks "glorifying and praising God for all the things they had heard and seen." This is the hallmark of true Christmas joy; it transforms ordinary people into joyful witnesses of an extraordinary Savior.

The King of kings was born not in a palace but in a humble stable, proving that His royal joy is available to every heart that welcomes Him. So, this Christmas, as you light your candles, sing your carols, and exchange gifts, remember the greatest gift of all is Jesus, our source of everlasting joy. May the joy of the Lord fill your heart and remain with you forever.

Dear Beloved in Christ,

"And if anyone gives even a cup of cold water to one of these little ones who is My disciple, truly I tell you, that person will certainly not lose their reward." (Matthew 10:42)

Jesus calls, has been praying 24 hours a day for the past 42 years and millions of people have received miracles to glorify God's name.

This Christmas, as our hearts overflow with joy, let us pause to honor the unseen heroes, our Prayer Intercessors, who kneel in quiet places to ensure the peace of brokenhearted people. Whether supporting the Telephone Prayer Ministry, assisting in counselling, preaching, or serving at the Reception, they pour out their hearts to bless others. They faithfully support every Prayer Tower event-ushering, volunteering, managing seating arrangements, assisting in worship, and even helping as Ambassadors who raise resources for the mission. Many serve as musicians, offer help in oil filling, take part in chain prayer, support outreach meetings, and diligently follow up with callers. Their service extends into writing prayer requests, visiting homes, serving as translators, helping with food distribution, conducting Children's Clubs, praying for the nation, and interceding during LIVE TV programmes. Their wholehearted commitment is a powerful reminder that the ministry moves forward not by human strength but by the prayer, sacrifice, and unseen labour of these faithful warriors who carry God's love to countless lives.

THIS SEASON, LET'S SHOW OUR GRATITUDE

This year, we aim to bless 8,000 Prayer Intercessors who serve at Prayer Towers, Telephone Prayer Towers, Chain Prayers, and the National Prayer Tower. Each of them is a vital link in the chain of faith that keeps this ministry thriving.

When you bless a prayer intercessor, you're not just giving a gift, you're sowing into a ministry that touches millions of lives with healing, deliverance, and miracles.

EXTENDING GRATITUDE TO OUR PARTNERS

We're also thanking 30,000 precious ministry partners who have stood beside us in prayer and faith. This Christmas, our intercessors will visit their homes to offer personal prayers of blessing, declaring God's favor and abundance over every family for the coming year.

As Scripture reminds us: "The generous will themselves be blessed, for they share their food with the poor." (Proverbs 22:9)

Together, let's make this season a beautiful circle of giving and grace where blessings flow from heart to heart.

Miracles Brought Down Through Prayer

Here are just a few testimonies of lives transformed through the relentless prayers of our intercessors:

My Mother's Life Was Saved

My mother was admitted to the hospital on October 1st with a severe heart condition and major blockages. Doctors warned us of the worst. But after continuous prayer at the Telephone Prayer Tower, the surgery was successful! Though she was kept on a ventilator, God's mercy prevailed. She was miraculously healed and taken off the ventilator. Today, she is home and recovering well. All glory to God!

My son, who works in Qatar, was unable to get his leave approved despite repeated attempts. I called the Telephone Prayer Tower for prayer. Soon after, by God's grace, his leave was approved and he will be home this December! We thank God for answering our prayers.

Delivered from Addiction

For years, my son Athithya struggled with alcohol addiction. We prayed continuously along with the Jesus Calls Prayer Intercessors. Today, he is completely free! He has been delivered from the bondage of drinking, and our home is filled with peace. Praise be to God for this new life!

Each testimony is a reminder that when God's people pray, heaven moves.

Dearly beloved partner in the ministry,

As we celebrate this glorious Christmas season, my heart is filled with joy as I reflect on the powerful words of Luke 2:11, "Today in the town of David a Savior has been born to vou; He is the Messiah, the Lord." What a magnificent declaration of divine love! On that blessed night, heaven touched earth when the Maker took the form of mankind. This is the heart of Christmas: God Himself came down as Jesus to dwell among us, to save, to redeem, and to reign as Lord over all people. Jesus still continues this mission today through His Holy Spirit working in and through us. Every prayer we offer, every soul we reach, every message we share, and every outreach we conduct are all living testimonies of His saving power. Through your faithful partnership, countless lives are being transformed, healed, and restored to hope fulfilling the very purpose for which God became man.

Dear partner, your prayers and support are precious to God. As you continue to stand with us in fulfilling this divine calling, may the Lord remember your labor of love and reward you with the abundant life He came to give.

God's name has truly instilled hope in many hearts through the ministry last month and I wholeheartedly praise God for this.

Roing Prayer Festival

The Roing Prayer Festival in Arunachal Pradesh, held on November 8–9, 2025, witnessed a powerful move of God as my son Bro. Samuel Dhinakaran ministered under the anointing of the Holy Spirit. On Day 1, he preached from Psalm 118:14–16, declaring the Lord as strength and salvation, which led to many receiving miraculous healings and breakthroughs. He also inaugurated and dedicated the Word of Faith Bible Training Centre Church, marking it as a centre of revival. On Day 2, he preached from Acts 1:4–5 about the gift of the Holy Spirit, prayed for a fresh anointing, and laid hands on the sick, resulting

in people being healed, delivered, and spiritually renewed. The two-day festival had a deep impact, filling attendees with joy, gratitude, and transformed lives.

Katelyn's First Ministry at Bangalore

On November 2, 2025, my granddaughter Katelyn Anna Dhinakaran recited Psalm 121:1–4 and ministered for the first time at Hope in Jesus Church, Bangalore, where over 1,500 people gathered. God's name was lifted high through her small ministry.

Family Blessing Meeting

At the Jesus Calls Prayer Tower, Vanagaram, in the Family Blessing Meeting that took place

on the 8th of November, my wife Sis. Evangeline Paul Dhinakaran shared God's word from Luke 1:28 on how to be blessed people in this world, being blessed with favor and honor. My mother Sis. Stella Dhinakaran

My mother Sis. Stella Dhinakaran spoke on how God transforms every home into a divine family filled with His joy and blessings. Both prayed over all requests and ministered individually. Many testified of miracles and left renewed in faith, overflowing with God's grace and joy of salvation.

Sunday Blessing Meeting

On November 9, 2025, at the Jesus Calls Prayer Tower, Parrys, I ministered in the Sunday Blessing Meeting where the tower overflowed with people who came in great faith. He preached from John 14:1, encouraging everyone to trust the Lord for miracles and long-awaited answers, and prayed especially for children and youth to rise to greater heights. The meeting witnessed a powerful move of God as he prayed for the anointing of the Holy Spirit, prophetically called out names, prayed for the sick, and laid hands on prayer requests. Many experienced healing, peace, and divine transformation, making the gathering a memorable moment of God's mighty presence.

Prayer Tower Special Events

"I will send down showers in season; there will be showers of blessing." (Ezekiel 34:26)

The past days have been a beautiful reminder of God's unfailing love as I thank Him for the two-day "Showers of Blessing" meetings across all Prayer Towers, where nearly 8,000 people encountered His mighty presence. My heart overflowed with joy watching 3,000 precious children celebrate Children's Day with laughter and delight in every Prayer Tower, a sight that reflected the Father's tender love. The special Anointing Meeting on November 20th, held in remembrance of my own anointing day

became a sacred moment of gratitude, refreshing, and renewal. Through every gathering, the Lord reminded me of the privilege and honor of serving His people and witnessing His glory unfold in their lives.

YOUNG PARTNERS PLAN A SEED FOR A BLESSED FUTURE

From forsakenness to a future full of hope

My husband left when my daughter Angel Rani was just two years old. As a single mother, I struggled to raise her, especially when she often fell sick. Once, she bled from her nose and mouth, and hospital expenses reached Rs. 8,000. With faith, I sent a small offering to Brother D.G.S. Dhinakaran and Sister Stella Dhinakaran to enroll her in the Young Partners Plan. Soon after, the

Lord healed her completely. Today, she's an M.A. graduate, blessed with a loving family. I also enrolled my grandson and granddaughter in the Young Partners Plan. My granddaughter Jenilia was just an average student, but God blessed her and made her score 483/500 in her 10th public exam winning four awards. Truly, the Young Partners Plan brought abundant blessings to our family!

- Suganthi, Tenkasi

Children are a precious gift from God. Yet, in a world filled with uncertainty, every parent's heart longs for only one thing - that their child will walk in divine favor and grow under God's covering. That is what the Young Partners Plan is all about.

The Young Partners Plan is not merely an enrolment; it is a seed of faith that allows the next generation to be surrounded by prayer, much like Timothy, whose faith was nurtured through his godly family. As you sow this small seed of faith, you are preparing a future where your child will shine for God's glory.

Truly, when a child grows in the shadow of prayer, their life becomes a testimony of God's faithfulness for generations to come.

Just as God blessed Suganthi's children and grandchildren, God will bless yours too, shining His face of favor upon them and securing their future in all aspects of life.

As a parent, grandparent, or guardian, you can enroll your child and gift them a foundation of:

A Fruitful Life: Based on John 15:16, we pray they bear lasting fruit-excelling

in academics, character, and relationships.

Faith that Stands Firm: Like young Samuel (1 Samuel 3:10), your child will be prayed for to hear God's voice and stand as a witness in today's world.

BENEFITS OF THE YOUNG PARTNER PLAN

- ◆ Daily prayers by prayer intercessors calling out the names of Young Partners
- ◆ Special prayers on birthdays ◆ Scholarship offered at Karunya University
- ♦ Monthly Blessing word from Bro. Samuel Dhinakaran

I would like to join the Jesus Calls Family Blessing Plan

For your gift of US\$31 or more every month you could enroll your family as part of the Family Blessing Plan and be a blessing to millions through this mission. SAMUEL DHINAKARAN

"Do not be afraid. I bring you good news that will cause great joy for all the people."

(Luke 2:10)

My dear friend, welcome to the month of December, a season of joy, celebration, and the beautiful birth of our Savior, Jesus Christ. This month, let Jesus be born anew in your heart every day. As you rejoice in His presence, may you also carry His love and peace to many others around you.

You may have planned vacations, gatherings, or celebrations with your family and friends. May God bless every plan and fill your Christmas season with His joy and presence.

The Lord has impressed upon my heart to share this precious verse from Luke 2:10, "Do not be afraid. I bring you good news that will cause great joy for all the people."

The angel brought this joyful message to the shepherds about the birth of Jesus. And this month, God wants to make you like that angel someone who carries the good news and becomes a blessing to others,

samuel@jesuscalls.org [3] [6] samueldhinakaranofficial

spreading joy wherever you go.

Let me share with you two ways God will make you an "angel" to people this month:

1. An Angel Who Loves, Cares, and Helps

As the Bible says in Galatians WHEREVER YOU GO 6:10, "Therefore, as we have opportunity, let us do good to all people." Every day, God gives us countless opportunities to do good if only we open our eyes.

There was a boy in our college hostel who was very studious. He always studied alone and never shared his notes or discussed lessons with anyone. Before every exam, he would avoid talking to others and go straight to the exam hall. Naturally, he scored very high marks. But there was another boy in the same hostel who was also an excellent student. Before the exams, he would take time to teach everyone in the hostel block. Even at the last minute, when some students came running to him saying, "Please teach me too," he would patiently help them. He was always willing to lend a hand in many ways. Because of his kindness, everyone in the hostel and in the class loved him. Even today, long after college, he remains loved and surrounded by many friends. We are also called to be like him to help our classmates, to support those in need, and to comfort those who are in pain. Sometimes helping others can be as simple as teaching them or sharing what we have.

My friend, that's how God wants us to be ready to help those in need, comfort those in pain, and share whatever we have. When you do this, people will look at you and say, "You are an angel to me." Through your simple acts of kindness, they will see Jesus.

2. An Angel **Who Ministers to People**

> Hebrews 1:14 says, "Are not all angels ministering spirits sent to serve those will who inherit salvation?" God sends heavenly angels to minister to His people, but He also sends you His earthly angel to share His love, His Word, and His

hope.

THIS CHRISTMAS.

BECOME AN ANGEL

WHO CARRIES

THE GOOD NEWS

AND BLESSES OTHERS.

SPREADING JOY

Once, a young man came to me at the Prayer Tower and said, "Anna, I want to minister to people. How can I do that?" I encouraged him to start by sharing his testimony in our U-Turn youth meetings. He obeyed, and as he shared, many young hearts were touched and strengthened. Today, that young man is a youth leader, serving God faithfully.

You too can be such a blessing, even at a young age. God is giving you the grace to be His messenger, to bring Jesus into the hearts of others this month. God bless you this December, my friend.

May you be one of God's chosen angels bringing the joy of Jesus to every heart.

> **Merry Christmas** and a Blessed New Year 2026.

A Prayer for You

Loving Lord, just as the angel announced the good news of Your birth, help me to bring that same message of joy and hope to others. Fill me with Your love and compassion. Open doors for me to help the hurting, care for the needy, and minister to the brokenhearted. Let Your miracles flow through me as I carry Your presence to others. Thank You for making me Your angel on earth. In Jesus' name, Amen.

"Carry each other's burdens, and in this way you will fulfill the law of Christ." (Galatians 6:2) At Jesus Calls Prayer Towers, lives are renewed, and hearts are restored through the power of prayer.

A MIGHTY TESTIMONY - FROM EXPECTATION TO EXALTATION

I am a Jesus Calls partner from Pune. My son had just completed his GNM Nursing course and attended an interview in a reputed hospital. Before his interview, I contacted the Jesus Calls Pimpri Prayer Tower and requested prayers for my son. Out of 450 candidates, only 10 were selected and my son was one among them! We were amazed at how God favored him, blessing him with an unexpected starting salary of Rs. 50,000. Our hearts also overflow with joy because our children who are enrolled in the Young Partner Plan are prayed for by the prayer intercessors and so they are certainly blessed. We give all glory to God for this wonderful miracle! - Br. Kailas Bhalerao, Pune

THE NEED: Every day, the Pimpri Prayer Tower receives numerous prayer requests from people across Pune crying out to God for some need only God can meet. To meet the growing spiritual hunger of the people in and around Pune, the Pimpri Prayer Tower seeks your continued prayers, volunteering, and generous giving. Pray that the Pimpri Prayer Tower will be a strong altar of prayer bringing revival to Pune and transforming lives for God's glory.

This Christmas season, let's come together to spread the radiant joy and boundless love of Christ! Our anointed Prayer Intercessors and Ambassadors from Jesus Calls are stepping out in faith, visiting the homes of our beloved partners not just to sing carols and pray for them, but to bring hope, healing and heavenly blessings.

Just as the shepherds heard the angel proclaim, "Glory to God in the highest, and on earth peace, goodwill toward men" (Luke 2:14), our teams are going forth to declare the same message of peace and joy. Each home visit will be a moment of divine encounter filled with songs that lift the soul, heartfelt prayers that break burdens, and blessings that restore families.

As it is written: "How beautiful are the feet of those who bring good news!" (Romans 10:15)

CAROL TEAM VISITED SAVED FROM SUICIDE

Last December, our family was drowning in grief after losing my sister's husband, our father, and our uncle within three years 2021, 2022 and 2023 consecutively. By the end of 2024, suicidal thoughts had taken over and we had stopped praying, attending church, or even visiting the Prayer Tower. One night, as we sat in silence, broken and hopeless, the phone rang. It was a call from the Jesus Calls carol team wanting to visit our home.

That evening, they arrived unexpectedly, yet divinely sent. As they sang and prayed, God's presence filled our home. The suffocating heaviness lifted, and His peace embraced us. From that moment, joy replaced sorrow and fear turned into faith. We now live in the light of Christ's love, forever thankful that Jesus Himself visited our home that Christmas night through His faithful intercessors. All glory be to God!

Your prayerful support and contributions make these visits possible covering travel, gifts and meals for our intercessors. Together, we can bring the joy of Christ's birth to thousands of homes and hearts.

"Let your light shine before others, that they may see your good deeds and glorify your Father in heaven." (Matthew 5:16)

GIVE, AND YOU WILL BE BLESSED!

As you sow into this mission, may the Lord return to you a harvest of blessings beyond measure.

We, who are getting ready to celebrate Christmas, ought to first of all examine ourselves as to whether we are living a divine life pleasing to the Lord Jesus Christ, before Him.

For in Christ Jesus...avails anything, but a "new creation" (Galatians 6:15).

We make several plans and decisions to celebrate Christmas. But, do we desire to live a life in Christ, which is pleasing to Him? How to receive this divine life? – Shall we analyze this on the basis of the Scriptures and truly enjoy celebrating Christmas, by following these in all reverence and in holiness?

Divine Life of Living as a Vessel of Grace for Christ

The Lord, in His grace, will change us, the vessels of wrath prepared for destruction and make us shine as 'vessels of grace' filled with His divine glory by removing all the darkness in us

chosen by God and who was a vessel of grace, shone for Christ as a glorious vessel! The same was the case with Peter and John, who were doing an ordinary job of fishing! They received the divine calling of the Lord and what a glorious life they led for Christ! In the same way, in the Old Testament too, men of God like Noah and Moses were filled with His grace, received abundant and rich life from God and fulfilled His will wonderfully (Genesis 6:8; Exodus 33: 17).

David too prays to the Lord saying, "According to Your mercy, remember me" (Psalm 25:7). Also in Psalm 31:21, he praises the Lord thus: "Blessed be the Lord, for He has shown me His marvelous kindness in a strong city."

How did the Men of God Hold on to such Divine Grace?

"But I will sing of Your power; Yes, I will

Stella Dhinakaran / Stella Dhinakaran @jesuscalls.org

(Romans 9:23). How brightly

did Apostle Paul, who was

sing aloud of Your mercy in the morning; For you have been my defense and refuge in the day of my trouble. To You, O my strength, I will sing praises; For God is my defense, my God of mercy."

(Psalm 59:16,17)

In the Bible, we read how David rose up early in the morning and sought the Lord in reverence and how he, thereby, received His grace in an abundant manner, in his life (Psalm 61: 1).

"Hear my cry, O God; attend to my prayer..."

Our Lord Jesus Christ also thus sought the Father early in the morning, even while it was dark and increased in favour with God as read in Luke 2:52.

"...for all have sinned and fall short of the glory of God, being justified freely by His grace through the redemption that is in Christ Jesus..." (Romans 3:23,24) "And the grace of our Lord was exceedingly abundant with faith and love which are in Christ Jesus."

(I Timothy 1:14)

According to these Scriptures, we too can receive such a blessed and divine life.

A short tempered husband was living a miserable life because of his wife who was a shrew and a vixen. He was always angered by her words and had no peace. However, the grace of God came into him as a result of which he became a vessel of grace. After that, even when he had to listen to his wife's harsh and abusive words, he just muttered, 'Praise the Lord' and thus was filled with divine presence and peace and led a victorious life.

Dear ones, if you have not yet received this divine grace, humble yourself before the Lord right now, surrender to Him fully and ask Him.

"Delight yourself also in the Lord, and He shall give you the desires of your heart.

Commit your way to the Lord trust also in Him, and He shall bring it to pass."

(Psalm 37:4,5)

Let all those who seek You Rejoice and be Glad in You (Psalm 40:16; 70:4)

In the Bible, With Hannah, the mother of Prophet Samuel was in sorrow as she had no child.

The Lord
will wipe away
your tears and
make you happy
by filling you
with His perfect
blessings

Peninnah, the other wife of Hannah's husband had several children because of which she grieved Hannah, with her harsh words. One day, for this state to be changed, Hannah knelt down at the feet of the God of gods and poured out her heart before Him (I Samuel 1:10,11). The Bible says that 'the Lord hears our prayers' (Psalm 65:2; Proverbs 15:29). Yes! Accordingly, the Lord heard Hannah's tear-filled prayers, granted her a divine child as well as several other children and thus blessed her richly!

Dear ones, you may also be living in tears as you have various lacks in your life and are ridiculed by others.

"The young lions lack and suffer hunger; but those who seek the Lord shall not lack any good thing." (Psalm 34:10)

Like Hannah, you should also hold on to the Lord's feet with faith and trust and wait on Him. Then, the Lord, who blesses you exceedingly abundantly above all that you ask or think, will wipe away your tears and make you rejoice by filling you with His perfect blessings.

Daniel, the man of God, was living close with God. Yet, he faced terrible afflictions in his life. On seeing his blessings, some jealous people plotted

against him to destroy him completely. However, what did Daniel, who was walking with God closely, do at that situation? Despite knowing the impending danger in his life, Daniel went to his upper room, with his windows open toward Jerusalem, he knelt down on his knees three times that day and prayed and gave thanks before his God. As a result, the Lord was with him and shut the lions' mouth. He was not harmed in any way. When the men, who worked against Daniel, were thrown into the lions' den, as commanded by the king, the lions overpowered them and broke all their bones in pieces. After this, Daniel

Dear ones, your life may be in darkness because of such terrible situations. But, hold on to the Lord firmly, without giving room for dejection.

prospered!

"You will keep him in perfect peace, whose mind is stayed on You, because he trusts in You." (Isaiah 26:3)

The Lord, who helped Daniel, delivered him and who honoured him, will hear your prayers too, deliver you from all troubles in a wonderful way and grant you a blessed life.

Several years back, the God of gods, commanded our dear Bro. D. G. S. Dhinakaran to establish the Karunya Educational Institute. That time, we were penniless; neither did we have any human help. However, for everything, Bro. Dhinakaran, followed by son Paul Dhinakaran, knelt down in the presence of God for several hours and pleaded with Him with tears. As a result, the Lord has been performing signs and wonders in all these 40 years and today the college stands tall, for the glory of God!

Yes, dear ones! Perhaps you are also facing

lot of dark situations in your life and are living in tears and sorrow.

"Be anxious for nothing, but in everything by prayer and supplication, with thanksgiving, let your requests be made known to God; and the peace of God, which surpasses all understanding, will guard your hearts and minds through Christ Jesus." (Philippians 4:6,7)

Be Filled with the Fruits of Righteousness to the Glory and Praise of God (Philippians 1:11)

Apostle Paul who was changed from being Saul and the disciples such as

Peter and John who were filled with God's power and glory, had this fruit-filled life for God. Accordingly, we should also pray in reverence that the Lord should grant us a life of maintaining good works to meet urgent needs that we may not be unfruitful. Let us pray to the Lord with thirst and desire that we should get filled with the Holy Spirit given by God just as how the Lord Jesus Christ and His disciples

were filled and thus enjoy a life of living close to Him and bearing fruits for Him, for His glory. Then, as we read in Luke 11:13, the heavenly Father will fill us with His Holy Spirit. Also, as we keep waiting in His presence and pray to Him, He will surely grant us a fruit yielding life, which brings glory to His name.

This desire was found deep in Bro. Dhinakaran's life. Hence, the Lord filled him with His Holy Spirit, His gifts and fruits and thus glorified His name.

Even today, may the Lord fill you, who are reading this message, with His abundant grace so that you would become a new creation for Christ and shine for the glory of His name through good works and fruits in these Christmas day!
