UNITED FESTIVAL OF JOY 2026

The Puthu Varuda Perinba Peruvizha, conducted on 4 January 2025 at the YMCA Grounds, Nandanam, Chennai, was a memorable evening of spirit filled word and worship setting an example for Christian unity. Around 12,000 believers from diverse churches, traditions, and denominations gathered with one heart and one purpose to receive God's guidance and abundant blessings for the New Year 2026. Around 7 lakh viewers joined us online across social media platforms.

The evening began reverently with the prayer of invocation by Pastor Abraham Thomas, dedicating every segment of the program to the Lord. Rev. D. Mohan lifted the united Christian mission and the nation before God, praying for righteousness to guide the year ahead. Bishop Kathiroli Manickam interceded for all churches and ministries to be crowned with honour in 2026 and for the nation to experience revival, healing, and divine protection as believer's labor together for God's Kingdom. Rev. John F. Caleb prayed earnestly for institutions and social welfare missions across the country, and Pastor Joshua Stephen sought a mighty outpouring of the Holy Spirit upon the land. A powerful word of encouragement was shared by Rt. Rev. A. Paul Francis Ravichandran, reminding the congregation that the Lord Himself would fight for His people as they move forward in faith. Joy filled the hall during the cake-cutting ceremony, marking the New Year 2026 in celebration and fellowship.

Rev. Fr. Peter Thuma, Episcopal Vicar of the Catholic Church, and Brother Mohan C. Lazarus exhorted the people on revival and prayed for God's peace, prosperity, and Kingdom to rule over the state and nation. The entire programme was led by Pastor Alwin Thomas.

The worship session led by Stella Ramola and Daniel Davidson lifted hearts in praise and reminded all of the incomparable love of Christ. Mrs. Stella Dhinakaran prayed blessings over God's people for the New Year 2026 and Sharon Dhinakaran declared prophetically that 2026

would be a year of miracles for all people, assuring healing and deliverance for all people in wheel chairs and those suffering with mental health issues.

Dr. Paul Dhinakaran proclaimed God's promises, affirming that God's kingdom and purpose will be built in every home, church ministry and all aspects of life for God's people. He also mentioned prophecies for people called to serve in different fields of mission. People received deliverance and miracles that confirmed God's power working in the lives of people gathered.

With compassion, Sis. Evangeline Paul Dhinakaran prayed for every heart to be filled

with God's Spirit of love and anointing and for each life to be built as His living temple.

Samuel Dhinakaran prayed for every bondage to be broken and lives to be strengthened through the overflowing and overcoming power of the Holy Spirit.

The programme concluded with a thanksgiving prayer by Pastor Sam P. Chelladurai, a prayer of blessing by Most Rev. Dr. Lawrence Pius Dorairaj, and with Rev. S. Anand pronouncing the benediction. The event was filled with hope, unity, and expectation of divine favour, launching the New Year 2026 on a foundation of prayerful togetherness.

GOD'S PROMISES FOR 2026

GOD'S BLESSINGS FOR THE YEAR 2026

A YEAR WHEN HEAVEN WILL WORK ALONG WITH YOU

A) THE LORD WILL BUILD EVERYTHING. Hebrews 3:4 – "For every house is built by someone, but God is the builder of everything."

B) GOD WILL CAUSE YOU TO REBUILD WHAT WAS RUINED.

Isaiah 58:12 – "Those from among you will rebuild the ancient ruins; you will raise up the age-old foundations. You will be called Repairer of Broken Walls, Restorer of Streets with Dwellings."

Based on these blessings, Dr. Paul Dhinakaran shared God's plan for the year 2026 revealed to him as below:

1. God will rebuild you as God's temple, making you holy and presenting you as a living sacrifice that is pleasing to God. (1 Corinthians 3:16; 6:19; Romans 12:1–2).
2. God will grant salvation to those in your home and to your family members. He will mend broken relationships and restore peace in your house. He will pour out His Spirit upon every one of your household. (Acts 16:31; 1 Corinthians 7:14; Acts 2:17).
3. God will create unity of heart and purpose among all who bear the Name of Christ, and He will establish good and pleasing relationships in the midst of His servants and ministers. The Holy Spirit will be poured out upon the entire church. (Psalm 133:1-2).
4. God will enable you to serve Him using the gifts of the Holy Spirit and will perform miracles through you, revealing the likeness of Christ. (Acts 10:38; 1 Corinthians 12:8-10; 2 Corinthians 3:18).
5. God will bestow His prophetic grace through pastors, media preachers, singers, those who serve the humble and needy, business people, entrepreneurs, doctors, engineers, lawyers, activists who uphold people's rights, and those who implement laws and regulations. (Revelation 10:11: *"You must prophesy again to many peoples and nations"*).
6. God will rebuild your name, position, status, and possessions. He will build your home and establish the structure of your ministry, business, and institutions. (Jeremiah 31:4; 2 Samuel 7:11).
7. God will provide divine protection to His servants. (Zechariah 2:5).
8. God will open doors once again to preach the Gospel throughout the nation, commissioning you to make disciples. (Matthew 28:19–20).

BELIEVE, PRAY AND WALK INTO THE FULFILLMENT OF THESE PROPHECIES FOR GOD'S GLORY.

2026

The Chennai Youth Fest, held on 3 January 2026 at the YMCA Ground, Nandanam, Chennai, was a vibrant and spiritually renewing gathering for young people across the city. Thousands participated both in person and online via YouTube, united in encouraging creativity, fellowship, and wholehearted devotion to God. From 3:00 PM to 6:00 PM, engaging games and talent competitions including Bible Quiz, group and solo performances, Tug of War, Kahoot, Stand-up, and Lucky Dip created an atmosphere of joy and camaraderie.

The evening session began with an invocation prayer by Pastor Justin Samuel, followed by an inspiring worship led by Pastor Benny Joshua. Students from Karunya Institute of Technology and Sciences presented a powerful skit on holy living and rebuilding lives on godly values. Worship leaders Stella Ramola and Daniel Davidson then led the gathering into an anointed time of praise.

The keynote message by Bro. Samuel Dhinakaran, based on Isaiah 60:22, emphasized faithfulness and integrity, urging youths to reject shortcuts and walk in the Spirit of truth (John 16:13). Drawing from Matthew 25:21 and 1 Peter 4:10, he reminded them that God qualifies those He calls.

Powerful testimonies followed: ♦ Sis. Andrea from Tondiarpet testified that she received an uncontrollable anointing and began to speak in tongues for the first time just as prophetically declared by Bro. Samuel Dhinakaran from Acts 2:17. ♦ Another sister testified that after leg surgery and a suicide attempt last year, she could not walk fast and had lost hope but while she began to worship, she was able to walk and committed her life to serving the Lord. ♦ Sis. Varsha shared that God spoke through Bro. Samuel Dhinakaran, assuring her of state marks, family restoration, and a complete turnaround as she prepares for her March exams.

The event concluded with prayer and lucky draws, as youths left with renewed commitment to rise, roar, and reflect Jesus in every sphere of life.

HOW TO GET Answers TO PRAYER

*"I prayed for this child,
and the Lord has granted me
what I asked of Him." (1 Samuel 1:27)*

Dear friend,

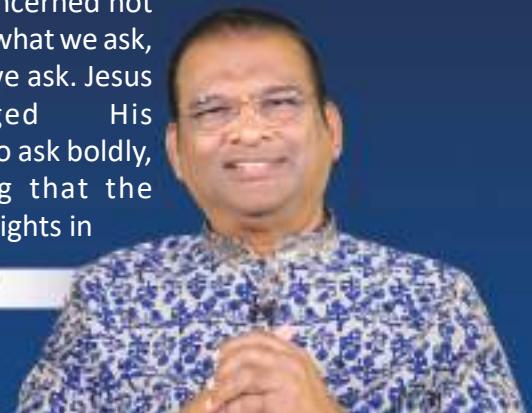

This month God promises to you that He will grant you the prayers of your heart. When talking about prayer, it is a living conversation between our loving Father in Heaven and His dependent children. It is not merely a religious practice. Across generations, believers have knelt with tears, whispered with hope, and cried out in desperation, trusting that God hears. Yet alongside testimonies of answered prayer, there are also silent questions: Why does God answer some prayers and not others? Scripture does not leave us in confusion. Instead, it gently teaches us how prayer flows most freely when the heart, faith, Word, will, life, and purpose of the believer align with God.

Let us meditate on the kind of prayers answered by God.

PRAYER OF RIGHT MOTIVE

James 4:3 says, *"When you ask, you do not receive, because you ask with wrong motives, that you may spend what you get on your pleasures."*

The first lesson Scripture teaches us is about the motive behind our prayer for God is deeply concerned not only with what we ask, but why we ask. Jesus encouraged His disciples to ask boldly, promising that the Father delights in

Dr. Paul Dhinakaran - paul@jescalls.org

[PaulDhinakaranofficial](#)

giving good gifts. Yet the book of James provides a sobering clarification that prayers driven by selfish ambition or personal indulgence often go unanswered as they are disconnected from God's heart.

Hannah's story in 1 Samuel chapters 1&2 beautifully illustrates a prayer shaped by right motive. Years of barrenness had broken her spirit, but instead of allowing bitterness to define her faith, she poured her anguish before the Lord. Her request was deeply personal yet entirely surrendered. She did not seek a child merely to satisfy social pressure or emotional longing; she desired a son whom she would willingly return to God. When Samuel was born, Hannah kept her vow. Her joy was complete not because she possessed a miracle, but because God was honoured through it.

In stark contrast stands the account of Simon the sorcerer in Acts 8:9-24. Though he witnessed the power of God, his desire was rooted in self-exaltation. He wanted spiritual authority without spiritual surrender. His request was rebuked, revealing a timeless truth: God will never empower motives that contradict His nature.

A similar surrender was witnessed in the life of Anjali from Chennai. *When a sudden fever turned fatal and doctors declared that she had less than an hour to live, her family faced unbearable despair. Her three children, overwhelmed yet hopeful, cried out to God. The youngest child prayed a simple but profound prayer not bargaining for comfort but promising to testify for God's glory in the Jesus Calls Prayer Tower. That prayer, born from a pure heart, was answered instantly. Anjali was healed, and the family returned to testify publicly of God's mercy.*

The miracle was not just physical restoration but a revelation that God responds to prayers offered for His glory.

PRAYER OF FAITH

"If you believe, you will receive whatever you ask for in prayer." (Matthew 21:22)

Beyond motive, Scripture emphasizes the role of faith in prayer. Faith is not blind optimism; it is confident trust in the character of God. Jesus repeatedly reminded those who came to Him with belief that faith opens the door for answers. Prayer without faith becomes mere words, but prayer rooted in faith connects heaven and earth.

"And if we know that he hears us- whatever we ask-we know that we have what we asked of him." (1 John 5:15)

One poignant gospel story tells of a father who brought his tormented son to Jesus (Mark 9:14-29). Torn between hope and doubt, the man cried out, "Lord, I believe; help my unbelief." Jesus did not dismiss him. Instead, He honoured that fragile yet sincere faith and delivered the child. This encounter reassures believers that faith does not require perfection but only dependence.

Sister Sheeba Karthika Rani from Thiruvallur experienced this life changing faith during a critical season of her life. As a student, she faced academic pressure and financial hardship simultaneously.

Before every examination, she read God's promises and entered the exam hall believing that the Lord who called her would also sustain her. When her higher education was threatened due to an unexpected financial crisis, she refused to give in to fear. She had to pay 53,000 rupees within a day. She had no idea what to do and immediately approached the Thiruvallur Prayer Tower for prayers. On the very day when the deadline loomed, God moved a relative to provide what was needed far beyond what she imagined.

Her testimony reflects a powerful truth: faith-filled prayer does not always remove challenges, but it always releases God's provision at the right time.

“Prayer without faith are just words but prayer ignited by faith connects heaven and earth”

When Scripture governs desire, prayer becomes powerful

PRAYER CLAIMING GOD'S PROMISES

"If you remain in me and my words remain in you, ask whatever you wish, and it will be given you." (John 15:7)

Prayer also draws strength from alignment with God's Word. The Bible is not separate from prayer; it is the foundation of it. When believers immerse themselves in Scripture, their prayers begin to echo God's own promises. Jesus affirmed this truth by teaching that those who remain in Him and allow His words to dwell within them will see their prayers fulfilled.

"Seek first his kingdom and his righteousness, and all these things will be given to you as well." (Matthew 6:33)

The contrast between Mary and Martha offers a meaningful picture. While Martha was consumed by activity, Mary chose attentiveness. She sat at Jesus' feet, absorbing His words, allowing them to shape her priorities. Her posture reflected a heart aligned with heaven. Jesus said to her, "but few things are needed—or indeed only one. Mary has chosen what is better, and it will not be taken away from her." (Luke 10:42)

Likewise, King Josiah's devotion to God's Word led to national renewal. When Scripture governs desire, prayer becomes powerful. When the Book of the Law was discovered in the temple during his reign, Josiah did not ignore or merely admire it; he humbled himself, tore his robes in repentance, and aligned his heart with what God had spoken (2 Kings 22:8–13). He gathered the people, read the Word publicly, and led the nation in renewing their covenant with the Lord (2 Kings 23:1–3). As a result, all wrong beliefs were destroyed, true worship was restored, and the spiritual direction of the nation was changed. Josiah's response shows that when Scripture governs

a leader's desires and decisions, prayer is no longer self-driven but God-centered. Such prayer carries authority, because it flows from obedience, and it brings renewal that extends far beyond the one who prays.

Brother Harwinder Singh from Amritsar exemplifies this alignment in everyday life. Faithful in giving and consistent in prayer, he and his family sought God for two specific needs: a home of their own and healing for his mother's cervical condition. Their requests were not random wishes, but faith-filled prayers anchored in God's promises. Through prayer and prophetic confirmation from the prayer intercessors of the Jesus Calls Prayer Tower, God fulfilled both desires. A prayer intercessor prophesied that his mother would receive healing when they shift into their new home. God fulfilled that prophecy as he claimed it in prayer. As they moved into their new home, his mother experienced complete healing, just as God had spoken.

This story testifies that when prayer flows from Scripture, fulfillment follows.

PRAYER ALIGNED WITH GOD'S WILL

"In the same way, the Spirit helps us in our weakness. We do not know what we ought to pray for, but the Spirit himself intercedes for us through wordless groans. And he who searches our hearts knows the mind of the Spirit, because the Spirit intercedes for God's people in accordance with the will of God." (Romans 8:26, 27)

Another vital aspect of answered prayer is discerning the will of God. While human plans are limited, God's purposes are eternal. Scripture assures us that the Holy Spirit intercedes for believers, helping them pray according to God's perfect will. This does not mean suppressing personal desires but surrendering them to divine wisdom.

"This is the confidence we have in approaching God: that if we ask anything according to his will, he hears us,"

(1 John 5:14)

David, though anointed king, repeatedly sought God's direction before making decisions. Whether facing battle or leadership choices, he refused to act on impulse. His

success flowed from obedience, proving that victory follows those who inquire of the Lord. David's life reveals a leader who understood that divine calling does not replace daily dependence on God. Though anointed as king, he consistently sought the Lord's direction before acting, especially in moments of conflict and leadership responsibility. When facing the Philistines, David did not rely on past victories or military strength; instead, he inquired of the Lord, asking whether he should go up to battle, and followed God's specific instructions each time (1 Samuel 23:1–5; 2 Samuel 5:18–25). Even as king, he refused to act on impulse or personal ambition, choosing obedience over assumption. This posture of seeking God's will became the foundation of his success, demonstrating that true victory and lasting leadership flow from a heart that continually inquires of the Lord and submits to His guidance. Prayers that seek God's will have the assurance of God's response.

Glory Arun from Bangalore had a journey that reflects this same dependence. *Standing at a crossroads, unsure of what business to pursue, she sought God's guidance at the Bangalore Prayer Tower. In prayer, clarity replaced confusion. God revealed a plan, and she stepped forward in faith. Without family support, she launched her boutique, trusting the One who guided her.*

Today, she stands as a testimony that when God reveals His will, He opens doors and also provides the strength to walk in it.

PRAYER FROM A LIFE THAT PLEASES GOD

“Dear friends, if our hearts do not condemn us, we have confidence before God and receive from him anything we ask, because we keep his commands and do what pleases him.” (1 John 3:21-22)

Answered prayer is also closely connected to a life that pleases God. Scripture teaches that obedience and intimacy with God create

confidence in prayer. This is not about legalistic perfection, but about a heart that longs to honor Him.

Hezekiah's life illustrates this beautifully. When faced with death, he turned to the Lord with tears, reminding God of his sincere walk. God responded with mercy and extended his life. When King Hezekiah was confronted with a fatal illness, he did not turn to despair or human remedies but cried out to the Lord with tears, reminding God of his sincere and faithful walk before Him (2 Kings 20:1–6; Isaiah 38:1–5). God heard his prayer, saw his tears, and graciously added fifteen more years to his life.

Similarly, Solomon's extravagant sacrifice revealed a heart devoted to God, and the Lord responded by granting wisdom, riches, and honor. Solomon expressed his love for God through an extravagant sacrifice at Gibeon, offering a thousand burnt offerings to the Lord (1 Kings 3:3–13). Pleased with Solomon's wholehearted devotion, God invited him to ask for whatever he desired, and when Solomon sought wisdom rather than personal gain, the Lord granted him wisdom along with riches and honor beyond his request.

Together, their stories reveal that when lives are marked by sincerity, obedience, and devotion, God responds generously, not out of obligation, but out of delight in those who seek to please Him.

In a modern context, S.R. Poonkodi's testimony reveals how a God-pleasing heart transforms prayer. She resides in Chennai. Years of marital conflict had filled her home with pain. Her husband refused to eat the food she prepared and distanced himself emotionally. Yet instead of allowing bitterness to harden her heart, she clung to God. While watching a Jesus Calls program in the Family Channel in which my mother Sis. Stella Dhinakaran was talking about peace, the message ministered deeply to both of them. Gradually, bitterness dissolved,

“It is not what you ask but for what purpose you ask which brings answers

communication was restored, and peace returned to their home.

God honored a heart that sought reconciliation and righteousness.

PRAAYER FROM A FRUITFUL LIFE

"You did not choose me, but I chose you and appointed you so that you might go and bear fruit-fruit that will last-and so that whatever you ask in my name the Father will give you." (John 15:16)

Finally, Scripture reveals that prayers that arise from a fruitful life brings answers. When believers invest in eternal purposes like serving others, giving generously to God's work, and sharing God's love, God responds with abundant provision.

Cornelius stands as a compelling example of how sincere prayer combined with generous obedience draws God's redemptive response. His prayers and acts of generosity rose before God as a memorial. In response, God orchestrated salvation not only for him, but for his entire household. Scripture describes him as a devout man who feared God, prayed continually, and gave generously to those in need (Acts 10:1–2). Though he was not yet fully acquainted with the gospel, his prayers and acts of charity, "Came up as a memorial before God" (Acts 10:4), revealing that his life of reverence had caught heaven's attention. In response, God initiated a divine encounter by sending an angel to direct Cornelius to Peter, through whom he and his entire household heard the message of salvation (Acts 10:30–44). As they believed, the Holy Spirit was poured out upon them, marking a turning point not only in Cornelius's life but in the expansion of the gospel to the Gentiles. His story beautifully demonstrates that when prayer is joined with compassionate obedience, God moves powerfully to bring salvation and transformation far beyond what is initially asked.

The life of Brother Rakesh Kumar, a resident of New Delhi, mirrors this kingdom-focused prayer. In 2016, he and his wife overwhelmed by despair were contemplating suicide, but he encountered Jesus through a dream and began visiting the Prayer Tower regularly. As he grew

Prayer without faith are just words; but prayer ignited by faith connects heaven and earth

in faith, he committed himself to faithful giving and spiritual discipline. He began to give his tithes regularly toward the Jesus Calls Prayer Tower ministry. His wife was working as a security guard at that time. But after 25 years, God transformed his family, elevated his wife's career by making her a school principal, and provided a long-awaited home after decades of renting.

His testimony proclaims that what is sown in faith is reaped in joy as prayers are answered beyond imagination.

As believers, we must remember that answered prayer is not proof of self-efforts but evidence of God's approval. God delights in blessing His children because He is gracious and faithful to keep His Word. When prayers rise from pure motives, unshakable faith, scriptural alignment, surrendered will, obedient living, and kingdom purpose, God responds beyond expectation. He does exceedingly and abundantly more than we can ask or imagine (Ephesians 3:20). May you learn to pray not merely for answers, but for deeper intimacy to know who God is and therefore receive answers from Him. God bless you.

Prayer: Dear Lord Jesus, thank You for hearing me when I pray. Please teach me to ask from You with pure motives and a trusting heart. Help me to believe in Your Word and claim Your promises. Reveal Your will to me through Your Holy Spirit. Lord, let my life bear fruit for Your kingdom, and fill my life with joy as You bring answers to my prayers. I rejoice in Your mercy alone. In Your precious name, Amen.

**BUILD GOD'S HOUSE
GOD WILL BUILD YOUR HOUSE**

Jesus Calls Prayer Towers have brought mighty miracles in the lives of people who walk through their doors seeking comfort, healing, and direction.

TRANSFORMED FROM A TROUBLESOME LIFE

My husband Srinivasan and I are blessed with two children. Before I accepted Jesus Christ as my personal Savior, my life was filled with pain and struggles. My husband was an alcoholic, and I faced lot of suffering, both emotionally and financially. At one point, my son was severely ill with dengue fever, and his platelet count dropped dangerously low. The doctors said his life was at risk. In that moment, I went to the Jesus Calls Prayer Tower near my place and prayed with all my heart. God heard all the prayers, healed my son, delivered my husband from his addiction and transformed our lives. Today, we live as a blessed and restored family, all by the prayers offered for us and by God's grace.

YOUR *house* FULL OF PEACE

“Come to Me, all you who are weary and burdened, and I will give you rest.” (Matthew 11:28)

Dear friend,

God extends this gentle invitation to your heart weighed down by sorrow, fear, and uncertainty. We come to Him with our burdens seeking the rest that only He can give. You may feel your future is ruined, your life surrounded by darkness, or that you will never recover from the loss of loved ones. You may be asking, What hope do I have? Yet today, Jesus Calls you to run to Him. Our loving God is greater than every problem we face. When we choose to live carefully, trusting this great God who

dwells within us, He turns our mourning into songs of deliverance. He transforms lives. Cast all your burdens at the feet of Jesus. He will give you rest. He will heal

you. He will bring you out of every struggle through prayer and faithful intercession. Depression is not greater than God. It is not merely physical; it is a battle of the mind and spirit but God will make you victorious.

Rajiv Hemram Kumar from Siliguri, originally from Jharkhand shared this testimony: “Due to my job, I lived away from my wife and two daughters. Few years back, I fell into deep depression, sleeplessness, fear, and pressure overwhelmed me. My wife also suffered silently, losing peace and strength. Though doctors suggested medication, we realized only prayer could heal our souls. We chose faith over fear and cried out to God. Prayer intercessors of Jesus Calls interceded fervently for us, and slowly restoration began. Today, my wife is healthy, joyful, and our family lives in

peace. I thank Lord Jesus Christ for delivering us from depression and renewing our lives."

Yes, dear friend, pray first for peace of mind. When God grants peace, everything else follows. Even before we ask, God knows our needs. Many women, young and old, married or widowed often live alone while carrying immense responsibilities. Isolation can lead to depression. What is the answer? Constant prayer. God alone can lift us out of such darkness.

Even today, the Lord remembers you and desires to bless you. The Bible declares in Psalm 127:1, "**Unless the Lord builds the house, they labor in vain who build it.**" When God builds a house, it is not merely a physical structure. He builds lives, families, bodies, minds, and souls. Time and again, we hear partners testify, saying, "The Lord has built our house after we enrolled in the Jesus Calls Partners Plan."

One such powerful testimony emerged during the Chennai Prayer Tower.

A woman shared how her husband, an auto driver addicted to alcohol, never joined her in prayer. Yet she did not give up. Every Tuesday, she fasted, prayed at the Prayer Tower, and faithfully read God's Word, even as her husband waited outside. She wrestled with God for his deliverance and God answered. Later, her husband Bala testified, "My wife Mercy and our daughter struggled for many years, because of my addiction to alcohol. I am an auto driver and because of this addiction, I fell deeply into debt. There was constant conflict and no peace in our home. My wife began coming regularly to the Prayer Tower and joined the Tuesday fasting prayer. The prayer

intercessors interceded for her. The Lord Jesus Christ heard her cry and completely transformed me. I was delivered from alcohol addiction, all my debts were cleared, and today our home is filled with peace. Praise be to the Lord Jesus Christ."

Today, this same man not only brings people to the Prayer Tower but ensures they enter, sit, and pray. With joy he declares, "Truly, the Lord has built my house." Dear friend, will the Lord not build your house as well? You may be praying for your spouse's transformation, your children's future, or your own breakthrough. Today, the Lord desires to come into your situation and build your home, your family, and your life. Jesus said in John 15:5, "**Without**

Me you can do nothing." Without Jesus, we are powerless, but with Him, all things are possible.

I personally witnessed this truth in my own family. My mother prayed and fasted for over twenty years for my father's transformation. Every

Friday, she interceded faithfully. One day, she dedicated one of her children to serve the Lord without mentioning any name. God honored that surrendered prayer. Today, I serve the Lord, and my father was also transformed. Our family now prays together, and truly, the Lord has built our house.

Dear friend, none of your prayers will ever be wasted. Even if you feel weary from waiting, do not lose heart. Today, God is at work. The Lord will build your house and perform miracles in your life. From this day forward, you will see change. Surrender your home, your family and your life at the feet of Jesus. When you allow God to build your house, He will build it perfectly. May the Lord bless you abundantly.

SRI LANKA PRAYER TOWERS

BRINGING HOPE BROUGHT HOPE

For many years, I have had the privilege of serving as a prayer intercessor at Jesus Calls. As I stand in the gap for countless people and bring their needs before the throne of grace, I have personally witnessed the mighty hand of God not only in the lives of others, but powerfully within my own family. "One of the darkest seasons of my life came when my beloved son fell gravely ill. For six long months, he was completely bedridden, unable to stand or walk on his own. Medical reports offered no hope, and despair settled heavily over our home. Yet, as an intercessor, I chose to cling to the Word of God. Psalm 30:2 became my constant prayer. Day and night, I poured out my heart before the Lord at Jesus Calls, joining fellow intercessors in prayer and fasting. Together, we stood on the promise of Isaiah 53:5, declaring that by His wounds, my son was healed. "Then, one ordinary day, God did the extraordinary. Strength suddenly returned to my son's legs. He stood up, began to walk, and soon resumed his work, praising the Lord who restores what the enemy seeks to steal. Today, my son stands strong and healthy, a living testimony of Jehovah Rapha, our Healer. "God's work of restoration did not end there. For fifteen painful years, a deep rift had separated me from my daughter-in-law. Silence, misunderstanding, and bitterness had built walls that seemed impossible to break, robbing our family of peace and joy. But in His perfect timing, God softened her heart. One evening, she came to me in tears, seeking forgiveness and reconciliation. What the enemy intended for division, God turned into a testimony of love and unity. Today, we live as a blessed family laughing together, praying together, and serving the Lord side by side. "I praise God for His unfailing goodness and faithfulness. These miracles continually remind me that when we serve Him wholeheartedly and pray without ceasing (1 Thessalonians 5:17), He moves mountains in ways beyond our imagination. If you are facing sickness, broken relationships, or feelings of hopelessness today, I encourage you to come to Jesus Calls. Join us in prayer, and watch God transform your story into one that brings Him glory.

From THE DEPTHS OF My heart I SPEAK...

As I greet you this month, my heart is filled with gratitude and hope. The Lord, who watches faithfully over every season of our lives, is reminding us today that His plans are not uncertain or temporary. Even in times of waiting, transition, or challenge, God calls us to build, to settle, and to flourish right where He has placed us.

“Build houses and settle down; plant gardens and eat what they produce.”

(Jeremiah 29:5)

This promise assures us that the Lord desires stability, fruitfulness, and peace for His people. He encourages us to lay strong foundations, to nurture what He has entrusted into our hands, and to confidently enjoy the fruit of our labor. What we build under God's guidance will endure, and what we plant in faith will surely yield a harvest in due time.

I declare that this season will be one of divine establishment for you and your family. The Lord will bless the work of your hands, bring growth where there was stagnancy, and grant you the grace to dwell securely under His covering. As you continue to stand with us in prayer and partnership, may God cause you to experience abundance, fulfillment, and lasting joy.

Thank you, dear partner, for journeying

with us in faith. Together, as we build according to God's purpose and plant seeds of obedience, we will surely partake of the rich harvest He has prepared for us.

I want to mention to you the great things the Lord has done through the ministry last month and welcome you to pray for greater missions in the coming month.

FOR PRAISE

- United New Year Festival of Joy 2026 –** on January 4, 2026, the Puthu Varuda Perinba Peruvizha was held at the YMCA Ground, Nandanam, Chennai. My family and I, along with Bishops, denominational heads, Christian leaders, heads of institutions and the churches from various denominations, came together to pray, bless the gathered people, and claim God's promises and prophecies for the year 2026 as one family of faith. I declared God's promise for the year from Isaiah 58:12 and shared the prophecy revealed by Him. With a united vision for

the year, everyone joined in prayer, asking the Lord to fulfill His word over our lives. God's name was exalted throughout every segment of the event.

- **Chennai Youth Fest 2026** – held on January 3, 2026, at the YMCA Grounds, Nandanam, Chennai, this event featured many engaging games for the participants. The praise and worship sessions were led by Pastor Benny Joshua, my daughter Stella Ramola, and my son-in-law Daniel Davidson, along with Karunya students. A powerful word of encouragement was shared by my son, Samuel Dhinakaran, from Acts 2:17. All the young hearts gathered were filled with renewed faith and a deep commitment to walk in step with the anointing of the Holy Spirit.

- **The Special New Year Meeting** was held on January 1, 2026, at the Dr. D. G. S. Dhinakaran Memorial Prayer Tower. Worship was led by my son in law Daniel Davidson and daughter Stella Ramola. Stella Ramola shared God's living Word from 1 Samuel 2:30, reminding the congregation that the Lord will remember and honour all those who come to honour Him. Everyone who came left rejoicing, with their hearts anchored in faith, believing that they will be blessed with God's best in this New Year.

- In the Watch Night New Year Service on December 31, 2026, my son Bro. Samuel Dhinakaran ministered at CSI St. Luke's Church, Mandaveli, Chennai. Through his

anointed message, God rekindled hope, strengthened faith, and prepared hearts of attendees to enter the New Year with courage, peace, and confidence in His promises.

- It was a privilege to be in Kottayam with my family, my mother, Mrs. Stella Dhinakaran, and my wife, Sis. Evangeline for the CONNECT 2026 event organised by Heavenly Feast Ministry. My mother was honoured with the Lifetime Achiever Award, recognising her unwavering prayerful sacrifices that have strengthened the ministry over the years. I ministered the 2026 Promise Message, proclaiming God's restoration and rebuilding. Sis. Evangeline led a powerful time of prayer for the infilling of the Holy Spirit, marking a victorious beginning to 2026. I dedicated Heavenly Feast Radio, praying it would bless people globally by proclaiming God's provision, grace, and favour. A focused time of prayer was held, releasing prophetic declarations over individuals and families. I am grateful to Dr. Mathew Kuruvilla for the invitation. Additionally, on December 31, 2025, at the CONNECT 2026 New Year Service at Nehru Stadium, Kottayam, I shared fellowship with Rt. Rev. Thomas Mar Timotheos and Rt. Rev. Dr. Mathews Mar Seraphim, celebrating unity in Christ.

Your brother who prays for you,

Dr. Paul Dhinakaran

Dear friend,

Welcome to the month of February. As this New Year unfolds, we can be confident of one truth: God has already begun His work of blessing in your life. Even now, His grace is at work, shaping your days, preparing your future, and calling you forward with purpose.

This season is especially significant for many young people. February often marks a time of preparation for examinations, career decisions, and important life transitions. In this crucial phase, God invites you to receive a special measure of His grace. He desires not only to bless you spiritually, but also to equip you practically, intellectually, and skillfully for the calling He has placed upon your life.

**WHY
SHOULD
WE BE
SKILLED?**

The Word of God clearly reveals His heart in Proverbs 22:29:

“Do you see someone skilled in their work? They will serve before kings; they will not serve before officials of low rank.”

This verse reflects God's divine standard. He delights in excellence. He desires His children to be skilled, diligent, and well-equipped. Skill is not merely talent; it is cultivated excellence, refined through effort, discipline, and perseverance. Such people are the ones whom God lifts up, blesses, and positions for greater influence.

God wants you to grow. He wants you to upgrade yourself,

samuel@jescalls.org [samueldhinakaranofficial](https://www.instagram.com/samueldhinakaranofficial)

to gain knowledge, to research, to learn deeply, and to sharpen your abilities. He calls you to make intentional efforts to develop your skills—not casually, but with commitment. When you do this, God responds by pouring His wisdom, revelation, and favor upon you.

The Bible urges us to seek wisdom like hidden treasure. Wisdom is not discovered accidentally; it is pursued passionately. Whether in studies, career, ministry, or vocation, God invites you to draw in knowledge and understanding so that your God-given ambitions may come to life. As you prepare diligently, developing every skill necessary, God adds His grace to your efforts—and that grace makes all the difference.

However, Scripture also gives a solemn warning. Proverbs 13:4 says:

"The soul of the sluggard craves and gets nothing, while the soul of the diligent is richly supplied."

Laziness produces only desire without fulfillment. Diligence, on the other hand, brings abundance. The diligent person is supplied richly—mentally, spiritually, and practically. God honors effort. He blesses those who search, seek, and labor faithfully.

So be careful, my friend. Do not settle for mediocrity. Do not compete for the lowest standard, whether it is just passing exams, doing the bare minimum, or being content with "any job." God has not called you to survive; He has called you to excel. Aim higher. Aim to serve kings!

The Bible gives us powerful examples. Daniel and Joseph rose to positions of great authority not by chance, but because they carried a spirit of excellence and wisdom. They were skilled, disciplined, and faithful. God honored that zeal and lifted them to serve rulers and shape nations.

I once met a young man at a function who shared a remarkable testimony. Years earlier, in 2016, I had visited a small café for a film

shoot. At that time, he was simply a server there. He reminded me that I had prayed for him during that visit. That day at the function, he proudly told me that he had baked the magnificent three-tier cake for the event, one hosted by a very affluent family. Through dedication, passion, and hard work, he had honed his skill and become an excellent baker. Today, he runs his own successful enterprise. God had indeed blessed him to serve it to the top brass in society.

My friend, now it is your turn. The same God who honored his diligence is ready to bless you with skill, strength, and excellence.

When Jesus called Peter, He did not merely invite him to follow, He called him into purpose. "Follow Me," Jesus said, "and I will make you a fisher of men." Peter immediately left his nets and embraced a greater calling. As he followed Jesus, he learned, grew, and developed the skills necessary to become a powerful servant of God. His obedience and willingness to learn transformed him.

Today, God is extending that same invitation to you. As you follow His calling, He will develop the skills you need to fulfill your life's purpose. He will make you excellent. God bless you.

PRAYER: Loving Lord, today I receive Your grace. Bless me with heavenly skills and every ability needed to fulfill my dreams and calling. Help me to be the best in all that I do. Just as Daniel was found wiser and more excellent than all others, and just as Peter received grace by following You, let that same grace rest upon me today. Fill me with an excellent spirit, sharp understanding, divine wisdom, and skillful hands. Grant me creative thoughts, clear minds, and revelation from heaven. Let me shine in my studies, their work, and calling. Surprise me with how powerfully Your grace works within me. Let me rise to great heights and be known as a skilled and excellent professional, all for Your glory. In Jesus' name, Amen.

“Skill is not merely talent; it is cultivated excellence, refined through effort, discipline, and perseverance”

JOIN THE YOUNG PARTNERS PLAN

Children are heaven's treasures entrusted in the hands of parents like tender saplings given to a gardener. Every mother and father desires that these young lives be rooted in divine favor, sheltered from the storms of uncertainty, and strengthened beneath God's faithful care. This vision is the heart beat of the Young Partners Plan.

The Young Partners Plan surrounds the next generation with prayer as a fortress encircles a city, echoing lives of the chosen people like Isaac, Joseph, Moses, David, Timothy and many others whose lives were shaped by the faith of their family. As you release your seed of faith into this plan, you are preparing a pathway where your child can rise untouched by compromise and radiant by a godly life.

A life raised in prayer will be guided by decisions, guarded by character, and keeps desires aligned with God's will. Such lives become the fifth gospel, read by those around them.

Here are a inspiring testimony from our Young Partners, showcasing God's mighty hand upon their lives:

MY FAITH WAS HONOURED...

Though fear overwhelmed me as a 10th standard student, God surrounded me through the Young Partners Plan and the blessed messages, worship, and intercession at the Students' Special Blessing Meeting in 2024. I cried out on that campus for 490 marks out of 500, and according to Jeremiah 33:3. The Lord answered, removed the fear from my trembling heart, assured me with His presence, and granted grace to study and write every exam with renewed hope. By His almighty favor my school called to announce that I had scored exactly 490 and secured second rank in the school, turning what seemed impossible into a banner of honor before everyone. From childhood I have desired to become a doctor, and despite my family circumstances I continue to pray, "not my will but Yours," believing the same God who performed wonders will open a medical seat for me, and I offer heartfelt thanks to Uncle Dr. Paul Dhinakaran and all the Jesus Calls intercessors who stand as a pillar of prayer in my life.

- *Smilin Priyadarshini, Cuddalore*

The Lord who wondrously led these Young Partners is sure to do more exceedingly for you children too. Make sure you enroll them in this plan and reap the benefits of sowing into this great mission.

By enrolling your children, you are gifting them a foundation of:

Abundant Life: They are protected by our Lord from all kinds of harm that affect spirit, soul, mind and body in order to enjoy the abundant life God wants them to have (John 10:10).

Born to overcome: Your children will conquer the world in academics and all fields through the power of the Holy Spirit (1 John 5:4).

May every child growing within this plan become like a bridge built over troubled waters, helping others cross into the hope in Jesus and revealing God to the world.

I would like to join the Jesus Calls Family Blessing Plan

For your gift of US\$31 or more every month you could enroll your family as part of the Family Blessing Plan and be a blessing to millions through this mission. To give online please visit jesuscalls.org or please send your contributions to the Prayer Tower in your country / region or write to us for more details to intl@jesuscalls.org

Life, WORTHY OF God's Glory!

"...that you would walk worthy of God who calls you into His own kingdom and glory."
(1 Thessalonians 2:11)

Dear one,

You are special in the sight of God. You should know how richly the Lord blesses us when we seek Him or accomplish His works.

FEAR OF THE LORD

Read the Book of Esther in the Bible! Esther was an ordinary Jewish woman. She got the privilege of becoming a queen purely by the favour of God. However, a grave problem followed her. There was a wicked man by name Haman who wanted to destroy the Jewish people. When he plotted to destroy the Jews completely, Queen Esther fasted and prayed at the feet of God for three days, along with her friends. As a result, the Lord did a great miracle and destroyed Haman and his household and protected the Jewish people

from destruction. In the same way, today, thousands of people are being destroyed in many ways. Young people are ruined. Dear ones,

the Lord has chosen you to stand in the gap and pray for such people that they should not be destroyed. Like Esther, you have to pray along with your family, or youngsters or little children.

In the Bible we see King Hezekiah walking faithfully before the Lord. He became sick and neared death (II Kings 20:2,3). That time, the Lord heard his prayers and added 15 more years to his life. He will do the same for you as well.

In 1980, when we faced a terrible problem, I decided to fast and pray for that, like Esther. Every Tuesday I started praying with fasting from 9:30 AM to 5:30 PM. During the days of fasting, I would not take any food and faithfully waited in the Lord's presence, with my whole heart. I used to read the Bible, meditate on it and would pour out my heart at the feet of the Lord. Three weeks passed! A big miracle happened in the matter for which I fasted and prayed at His feet. Hence, since then and till date, for the past nearly 45 years, I have been waiting at the Lord's feet with fasting and interceding with Him on every Tuesday.

We read in Matthew 25:21 and in Luke 19:17 that "if you are faithful over a few things, I

will make you ruler over many things." When you are faithful before the Lord even in small matters, the Lord will give you more responsibilities in the ministry and lift you up. This happened to me as well. Initially, I did what little ministry I could do for the Lord. However, I was faithful in doing that, because of which the Lord gave me lot more ministries and has multiplied it and is leading me till today.

Today, many families face lot of afflictions. However, the Lord will be with you as a victorious God during those trials. Do you know when? It is when you are faithful in the things of the Lord! He, Himself will see your faithfulness, help you in that trial and will deliver you. He will also make a way of escape for you.

There is a Sister by name Hannah, residing in Atlanta in America. Listen to her testimony as to how she receives blessings by praying faithfully!

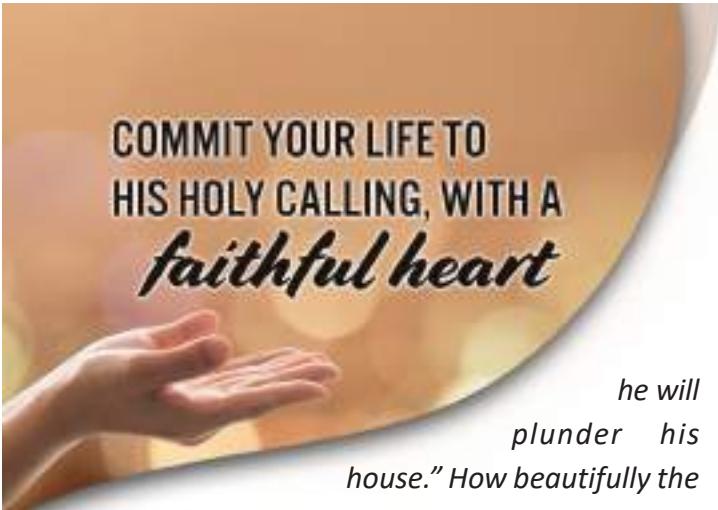

My name is Hannah. The Lord brought our family from India to America and has been doing mighty miracles in my life. After coming to America, my husband developed pain in his legs. We took it lightly and thought that it would go off on its own. However, soon he could not walk. We consulted several doctors. That time, our dear spiritual mother Mrs. Stella Dhinakaran called me over phone, to pray for my husband. That time she encouraged me to gather the women in my area and start a prayer Group for prayers. She further told me that I should ask the Lord about it and that He would teach me everything wonderfully. That evening, one of my husband's friends visited us and his wife was very friendly with me and spoke to me sweetly. I shared this with her. She told me that she had also been praying

for this since a long time and that she had a few friends and that we could all pray together as a group. Accordingly, all of us joined together and led the prayer group wonderfully. The presence of the Lord filled each one of us mightily. The Lord gave me strength to conduct that prayer in such a way that we were eager for the next month's gathering.

The same evening of the prayer, I was given the medical bill for my husband's treatment expenses. The first installment came around 20,000 dollars, which was beyond our capacity. My husband said that we should go back to our native place and that life in America was hard for us. I asked him, "Did the Lord give me this beautiful Esther Prayer Group only to take me back to India? Go back to the hospital and check this bill with them once again. The Lord will do some miracle." So my husband took it back and showed the bill to the concerned officials. Immediately they got it and rewrote the bill as 200 dollars! My husband could not believe his eyes. The Lord did a miracle which was unimaginable! Thus, as we kept praying, He began to do lot of miracles. Some people came seeking prayers to be blessed with a child. A sister, who was 38 years old, sought prayers for her marriage settlement. We encouraged her and made her pray with us. The Lord miraculously settled her marriage.

At this time when several miracles were taking place, I faced lot of demonic attacks. That time, the Lord spoke to me through a verse which goes, "How can one enter a strong man's house and plunder his goods, unless he binds the strong man? And then

WHEN YOU ARE FAITHFUL
IN THE THINGS OF THE LORD,
HE HIMSELF WILL MAKE A WAY OF
ESCAPE FOR YOU FROM ALL TRIALS

COMMIT YOUR LIFE TO HIS HOLY CALLING, WITH A *faithful heart*

he will plunder his house." How beautifully the Lord has written down this verse! I wondered why I should not do this and made a preparatory prayer before conducting the Esther Prayer Group and started binding the strong man and praying for the safety of everyone. Since then, I received the divine blessing of walking closer with the Lord.

Similarly, when I first started the Junior Esther Prayer Group, my children and the children of a few sisters in my group conducted the prayer. As a result, the Lord blessed their studies as well.

Finally, we were struggling to buy a house of our own. The Lord gave us a beautiful house and blessed us. Thus the Lord has been blessing us in every way and making us happy.

Thus she is doing the Lord's ministry, staying in America. You should also take a decision that you would seek the Lord faithfully and do His ministry with your whole heart. Then the Lord would bless you just as how He is blessing her.

HOLY CALLING

"You will keep him in perfect peace whose mind is stayed on You, because he trusts in You." (Isaiah 26:3)

Accordingly, she held on to the Lord firmly. Hence, the Lord changed everything into a blessing for her. Likewise, commit your life to His holy calling, with a faithful heart.

The Bible says, "Holiness adorns Your

house" (Psalm 93:5). When you clothe yourself in holiness and when your speech is holy, a divine beauty shall be seen in you (Proverbs 31:30). This is the first thing that the Lord taught me in my spiritual life, in the beginning. The Lord loves such holy life (Malachi 2:11). When you are holy in your clothing, conduct and in speech, the Lord will be pleased with you. Surely, you will become a vessel that pleases Him (II Timothy 2:21; Ephesians 5:3,4).

Jesus visited the house of Mary and Martha frequently. Mary, Martha and Lazarus loved Jesus dearly. Martha took care of the cooking part. But Mary held on to the feet of the Lord firmly. This is the secret of success that I have also learnt in my life. No matter what sickness affected us or what hardships we faced, immediately, I used to kneel down in His presence.

Dear one, are you burdened and worried? First kneel down. Speak to the Lord about all things. He is the God, who gives you victory. He will hear your prayers and answer you. He will change all the problems in your family. He will make you arise and shine as a prayer warrior (Isaiah 40:31).

When you kneel down and wait on the Lord, He will give you a new strength. He will strengthen you to be like an eagle that mounts up with wings and lead you in a blessed way. He will make you shine like a sun in the kingdom of the Father. So, as per the wish of God, commit your life in reverence to Him as a prayer intercessor to become worthy of His Kingdom and glory and shine for Him. Glorify the name of the Lord by joining the Esther Prayer Group too and thus fulfilling His will. May the Lord make you arise and shine as a glorious prayer warrior, filled with His glory!
